### **GUIDE 0.870" DIAMETER**

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Guides](#)

Our Centerfire Cleaning Rod Guides are designed to insert into your action In place of your bold or bolt carrier. They feature a snout with a silicone "O"-ring that inserts into your chamber, sealing the barrel off from the receiver. The "O"-ring prevents solvents from leaking back into the action area and gumming up the trigger assembly. We currently stock "O"-ring rod guides for over 1000 different action/cartridge combinations. Each rod guide is machined to fit specific actions and cartridge families from .17 up to .338 caliber. Unfortunately some rifle chamberings do not lend themselves to an "O"-ring style rod guide, for these cartridges we recommend one of our Adjustable Cone Style Rod Guides. In an effort to better serve the cleaning needs of our customers, we have upgraded our Sinclair "O"-ring rod guides to include integral solvent ports. This upgrade is now included with every centerfire bolt action rod guide and nearly all AR style rod guides. If you prefer a rod guide without an integral solvent port, please contact us via e-mail or phone and we will happily provide you with a rod guide to your liking. These rod guides without solvent ports will be treated as semi-custom, so please allow 2-4 weeks for delivery of rod guides without solvent ports. There is no additional charge for rod guides without integral solvent ports.

## Consumer Safety Instruction Guide

### Introduction

Thank you for choosing the SINCLAIR ORING ROD GUIDE for your cleaning needs. This guide provides important safety information and usage instructions to ensure the safe and effective use of this product. Please read this guide carefully before use.

### General Safety Guidelines

- Ensure that the rod guide is compatible with your firearm's action and cartridge before use.
- Always handle firearms with care and follow basic gun safety rules.
- Keep the rod guide out of reach of children and vulnerable individuals.
- Inspect the rod guide for damage or wear before each use. Do not use if damaged.
- Follow all local laws and regulations regarding firearms and cleaning equipment.

### Specific Safety Precautions for Use

- Do not exceed the recommended bolt diameter of .870 inches when using this rod guide.
- Ensure that the Oring is properly seated in the chamber to prevent leaks.
- Avoid using solvents that are not recommended for your firearm to prevent damage.
- Do not force the rod guide into the action; it should fit snugly without excessive pressure.
- If you experience any unusual resistance during cleaning, stop and inspect the equipment.

### Instructions for Installation and Usage

#### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the rod guide, cleaning rod, and solvents.

#### 2. Installation:

- Remove the bolt or bolt carrier from your firearm.
- Insert the rod guide into the action, ensuring the Oring is positioned towards the chamber.
- Press the rod guide gently until it is fully seated.

#### 3. Usage:

- Attach the cleaning rod to the rod guide.
- Use appropriate cleaning patches and solvents for your firearm.
- Clean your firearm according to the manufacturer's recommendations.
- After cleaning, remove the rod guide by pulling it straight out of the action.

#### 4. PostUsage:

- Clean the rod guide with a suitable solvent and dry it thoroughly.
- Store the rod guide in a safe and dry location.

### Disposal Instructions

- Dispose of any cleaning solvents and materials according to local regulations.

- Do not dispose of the rod guide in regular household waste if it is damaged. Contact your local waste management for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or further assistance regarding the SINCLAIR ORING ROD GUIDE, please refer to the official website or customer service channels provided by SINCLAIR INTERNATIONAL.

## **Conclusion**

Your safety and satisfaction are our top priorities. By following these guidelines, you can ensure a safe and effective cleaning experience with your SINCLAIR ORING ROD GUIDE. Thank you for your attention to safety.
