

SINCLAIR O-RING ROD GUIDES FOR 308/30-06 FAMILY - SINCLAIR INTERNATIONAL O-RING GUIDE, 30 CALIBER, 0.785" DIAMETER

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Guides](#)

Our Centerfire Cleaning Rod Guides are designed to insert into your action in place of your bolt or bolt carrier. They feature a snout with a silicone "O"-ring that inserts into your chamber, sealing the barrel off from the receiver. The "O"-ring prevents solvents from leaking back into the action area and gumming up the trigger assembly. We currently stock "O"-ring rod guides for over 1000 different action/cartridge combinations. Each rod guide is machined to fit specific actions and cartridge families from .17 up to .338 caliber. Unfortunately some rifle chamberings do not lend themselves to an "O"-ring style rod guide, for these cartridges we recommend one of our Adjustable Cone Style Rod Guides. In an effort to better serve the cleaning needs of our customers, we have upgraded our Sinclair "O"-ring rod guides to include integral solvent ports. This upgrade is now included with every centerfire bolt action rod guide and nearly all AR style rod guides. If you prefer a rod guide without an integral solvent port, please contact us via e-mail or phone and we will happily provide you with a rod guide to your liking. These rod guides without solvent ports will be treated as semi-custom, so please allow 2-4 weeks for delivery of rod guides without solvent ports. There is no additional charge for rod guides without integral solvent ports. Will fit the following Actions: Kimber 84M & 84L. NOTE: Measure across around area of bolt about in middle with set of dial calipers. Contact Sinclair Reloading tech for proper rod guide.

Attributes

- Name: [SINCLAIR INTERNATIONAL O-RING GUIDE, 30 CALIBER, 0.785" DIAMETER](#)

Safety Instruction Guide for SINCLAIR ORING ROD GUIDES

Introduction

Thank you for choosing the SINCLAIR ORING ROD GUIDE for your 308/3006 family firearms. This guide provides essential safety instructions to help you use this product safely and effectively. Please read this guide thoroughly before using the rod guide.

General Safety Guidelines

- Always ensure the firearm is unloaded before installing or removing the rod guide.
- Use the rod guide only with compatible firearms and cartridges as specified in the product description.
- Inspect the rod guide for any signs of wear or damage before each use. Do not use if damaged.
- Keep the rod guide and all cleaning supplies out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding firearm maintenance and cleaning.

Specific Safety Precautions for Use

- Ensure that the "O"ring is properly seated in the chamber before use to prevent solvents from leaking back into the action area.
- Avoid using excessive force when inserting or removing the rod guide to prevent damage to both the guide and the firearm.
- Do not use the rod guide with solvents that are not recommended or compatible with your firearm.
- Always wear appropriate personal protective equipment (PPE), such as gloves and safety glasses, when handling solvents and cleaning materials.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is completely unloaded and the area is safe.
- Gather all necessary cleaning supplies and the rod guide.

2. Installation:

- Align the rod guide with the chamber of the firearm.
- Gently insert the snout of the rod guide into the chamber until it is fully seated.
- Ensure the "O"ring is properly positioned to create a seal.

3. Usage:

- Use the rod guide in conjunction with a cleaning rod and appropriate cleaning materials.
- Follow the manufacturer's instructions for the cleaning materials you are using.
- After cleaning, carefully remove the rod guide by gently pulling it out of the chamber.

4. PostUsage:

- Inspect the rod guide for any signs of wear or damage after use.
- Clean the rod guide as per the manufacturer's recommendations to maintain its integrity.

Disposal Instructions

- Dispose of the rod guide in accordance with local regulations regarding plastic and metal waste.
- Do not dispose of the rod guide in regular household waste if it is damaged or contains hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the SINCLAIR ORING ROD GUIDE, please reach out to the manufacturer or your point of purchase for assistance.

Thank you for your attention to these safety instructions. Your safety and the safe operation of your firearm are our top priorities.
