

# SINCLAIR O-RING ROD GUIDES FOR 308/30-06 FAMILY - SINCLAIR INTERNATIONAL O-RING GUIDE, 30 CALIBER, 0.650" DIAMETER

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Guides](#)

Our Centerfire Cleaning Rod Guides are designed to insert into your action in place of your bolt or bolt carrier. They feature a snout with a silicone "O"-ring that inserts into your chamber, sealing the barrel off from the receiver. The "O"-ring prevents solvents from leaking back into the action area and gumming up the trigger assembly. We currently stock "O"-ring rod guides for over 1000 different action/cartridge combinations. Each rod guide is machined to fit specific actions and cartridge families from .17 up to .338 caliber. Unfortunately some rifle chamberings do not lend themselves to an "O"-ring style rod guide, for these cartridges we recommend one of our Adjustable Cone Style Rod Guides. In an effort to better serve the cleaning needs of our customers, we have upgraded our Sinclair "O"-ring rod guides to include integral solvent ports. This upgrade is now included with every centerfire bolt action rod guide and nearly all AR style rod guides. If you prefer a rod guide without an integral solvent port, please contact us via e-mail or phone and we will happily provide you with a rod guide to your liking. These rod guides without solvent ports will be treated as semi-custom, so please allow 2-4 weeks for delivery of rod guides without solvent ports. There is no additional charge for rod guides without integral solvent ports. Will fit the following Actions: Kimber 84M & 84L. NOTE: Measure across around area of bolt about in middle with set of dial calipers. Contact Sinclair Reloading tech for proper rod guide.

## Attributes

- Name: [SINCLAIR INTERNATIONAL O-RING GUIDE, 30 CALIBER, 0.650" DIAMETER](#)
- Manufacturer: [SINCLAIR INTERNATIONAL](#)
- Product no.: 749002878

# Safety Instruction Guide for SINCLAIR ORING ROD GUIDES

## Introduction

Thank you for choosing the SINCLAIR ORING ROD GUIDES for your cleaning needs. This guide provides important safety information to ensure the safe use and handling of the product. Please read this document carefully before using the rod guides.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose as described in this guide.
- Always inspect the rod guide for any damage before each use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Store the rod guides in a dry and safe location when not in use.
- Follow all local laws and regulations regarding the use of firearms and cleaning equipment.

## Specific Safety Precautions for Use

- Use the rod guide only with compatible actions and cartridges as specified.
- Always wear appropriate personal protective equipment (PPE) such as gloves and safety glasses when cleaning firearms.
- Avoid contact with solvents and cleaning agents. Use in a wellventilated area.
- Do not attempt to modify the rod guide in any way. Alterations may compromise safety.
- Ensure that the firearm is unloaded and pointed in a safe direction before inserting the rod guide.
- Be cautious of the potential for solvents to leak. Regularly check the "O"ring for wear and replace if necessary.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and in a safe condition.
- Gather all necessary cleaning supplies and the appropriate SINCLAIR ORING ROD GUIDE.

### 2. Installation:

- Remove the bolt or bolt carrier from the firearm as per the manufacturer's instructions.
- Insert the rod guide into the chamber of the firearm, ensuring the silicone "O"ring fits snugly.
- Confirm that the rod guide is seated properly and that the barrel is sealed from the receiver.

### 3. Usage:

- Attach the cleaning rod to the rod guide.
- Proceed with cleaning as per your firearm manufacturer's recommendations.
- Monitor the cleaning process to ensure no solvents are leaking back into the action area.

### 4. PostUse:

- Remove the rod guide from the chamber after cleaning.
- Clean and inspect the rod guide for any signs of wear or damage.
- Store the rod guide in a safe location.

## **Disposal Instructions**

- Dispose of the SINCLAIR ORING ROD GUIDE in accordance with local regulations.
- If the product is damaged or no longer usable, ensure it is disposed of in a manner that prevents accidental use.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the SINCLAIR ORING ROD GUIDES, please refer to the manufacturer's website or contact customer service.

Thank you for your attention to these safety instructions. Your safety is our priority.
