

# SINCLAIR O-RING ROD GUIDES FOR 25 TO 280 CAL - SINCLAIR INTERNATIONAL O-RING ROD GUIDE, 25-280 CALIBER, 0.900" DIAMETER

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Guides](#)

Our Centerfire Cleaning Rod Guides are designed to insert into your action in place of your bolt or bolt carrier. They feature a snout with a silicone "O"-ring that inserts into your chamber, sealing the barrel off from the receiver. The "O"-ring prevents solvents from leaking back into the action area and gumming up the trigger assembly. We currently stock "O"-ring rod guides for over 1000 different action/cartridge combinations. Each rod guide is machined to fit specific actions and cartridge families from .17 up to .338 caliber. Unfortunately some rifle chamberings do not lend themselves to an "O"-ring style rod guide, for these cartridges we recommend one of our Adjustable Cone Style Rod Guides. In an effort to better serve the cleaning needs of our customers, we have upgraded our Sinclair "O"-ring rod guides to include integral solvent ports. This upgrade is now included with every centerfire bolt action rod guide and nearly all AR style rod guides. If you prefer a rod guide without an integral solvent port, please contact us via e-mail or phone and we will happily provide you with a rod guide to your liking. These rod guides without solvent ports will be treated as semi-custom, so please allow 2-4 weeks for delivery of rod guides without solvent ports. There is no additional charge for rod guides without integral solvent ports. NOTE: Measure across around area of bolt about in middle with set of dial calipers. Contact Sinclair Reloading tech for proper rod guide.

## Attributes

- Name: [SINCLAIR INTERNATIONAL O-RING ROD GUIDE, 25-280 CALIBER, 0.900" DIAMETER](#)
- Manufacturer: [SINCLAIR INTERNATIONAL](#)
- Product no.: 749002889

# Safety Instruction Guide for SINCLAIR ORING ROD GUIDES

## Introduction

Thank you for choosing the SINCLAIR ORING ROD GUIDES for your cleaning needs. This guide provides important safety instructions to ensure the proper and safe use of this product. Please read this guide carefully before using the rod guides to prevent accidents and ensure optimal performance.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before inserting or removing the rod guide.
- Use the rod guide only for its intended purpose, which is to assist in cleaning your firearm.
- Keep the rod guide out of reach of children and vulnerable persons.
- Inspect the rod guide regularly for any signs of damage or wear. Do not use if damaged.
- Follow all local laws and regulations regarding firearm maintenance and cleaning.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the correct rod guide is selected for your specific firearm action and caliber.
- When using solvents, ensure that the area is wellventilated to avoid inhalation of fumes.
- Avoid contact with skin and eyes when using cleaning solvents. Use appropriate personal protective equipment (PPE) if necessary.
- Do not force the rod guide into the chamber; it should fit snugly without excessive pressure.
- Always clean in a safe environment, away from flammable materials.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather all necessary cleaning supplies and the appropriate rod guide.

### 2. Inserting the Rod Guide:

- Remove the bolt or bolt carrier from the firearm action.
- Insert the rod guide into the chamber until the silicone "O"ring creates a seal.
- Ensure that the snout of the rod guide is properly seated in the chamber.

### 3. Cleaning the Firearm:

- Attach your cleaning rod to the appropriate cleaning brush or patch.
- Insert the cleaning rod through the rod guide and proceed with the cleaning process.
- Use solvents as needed, ensuring they do not leak back into the action area.

### 4. Removing the Rod Guide:

- Once cleaning is complete, carefully remove the rod guide from the chamber.
- Clean the rod guide after use to maintain its condition.

### 5. Storage:

- Store the rod guide in a safe, dry place away from direct sunlight and moisture.

## **Disposal Instructions**

- Dispose of any damaged or worn rod guides according to local waste disposal regulations.
- Do not dispose of cleaning solvents in regular trash. Follow local hazardous waste disposal guidelines.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the SINCLAIR ORING ROD GUIDES, please refer to your local distributor or contact the manufacturer directly for assistance.

Thank you for your attention to these safety instructions. Proper use and maintenance of your rod guides will enhance your firearm cleaning experience and ensure safety.
