

SINCLAIR O-RING ROD GUIDES FOR 30 CALIBER TO 7MM WSM - SINCLAIR INTERNATIONAL O-RING ROD GUIDE, 30 CALIBER - 7MM WSM, 0.900" DIAMETER

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Guides](#)

Our Centerfire Cleaning Rod Guides are designed to insert into your action in place of your bolt or bolt carrier. They feature a snout with a silicone "O"-ring that inserts into your chamber, sealing the barrel off from the receiver. The "O"-ring prevents solvents from leaking back into the action area and gumming up the trigger assembly. We currently stock "O"-ring rod guides for over 1000 different action/cartridge combinations. Each rod guide is machined to fit specific actions and cartridge families from .17 up to .338 caliber. Unfortunately some rifle chamberings do not lend themselves to an "O"-ring style rod guide, for these cartridges we recommend one of our Adjustable Cone Style Rod Guides. In an effort to better serve the cleaning needs of our customers, we have upgraded our Sinclair "O"-ring rod guides to include integral solvent ports. This upgrade is now included with every centerfire bolt action rod guide and nearly all AR style rod guides. If you prefer a rod guide without an integral solvent port, please contact us via e-mail or phone and we will happily provide you with a rod guide to your liking. These rod guides without solvent ports will be treated as semi-custom, so please allow 2-4 weeks for delivery of rod guides without solvent ports. There is no additional charge for rod guides without integral solvent ports. Will fit the following Actions: Browning L70, Sako A3, A4, L61, Finnbear, 491, 591, 691, Howa 1500, Tikka, 595, 590, 695, and 690, Cooper 22, Savage AXIS, Kimber 84 (WSM). NOTE: Measure across around area of bolt about in middle with set of dial calipers. Contact Sinclair Reloading tech for proper rod guide.

Safety Instruction Guide for Sinclair ORing Rod Guides

Introduction

Thank you for choosing the Sinclair ORing Rod Guides for your cleaning needs. This guide provides important safety information, usage instructions, and disposal guidelines to ensure that you use the product safely and effectively. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the rod guide is compatible with your specific action and cartridge before use.
- Always inspect the rod guide for any signs of damage or wear before each use. Do not use if damaged.
- Keep the rod guide out of reach of children and vulnerable individuals.
- Use the rod guide only for its intended purpose as described in this guide.
- Store the rod guide in a safe and dry location when not in use.
- Report any unsafe product experiences or accidents to local authorities.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before inserting the rod guide.
- Do not force the rod guide into the chamber; it should fit snugly without excessive pressure.
- Avoid using solvents that are not recommended for use with the rod guide. Refer to the manufacturer's guidelines for suitable cleaning agents.
- If using the integral solvent port, ensure it is securely connected and does not leak.
- Do not leave the rod guide unattended while in use.
- If you experience any resistance while using the rod guide, stop immediately and inspect for obstructions.

Instructions for Installation and Usage

1. Preparation

- Ensure your firearm is completely unloaded and pointed in a safe direction.
- Gather necessary cleaning supplies, including cleaning solvent and a cleaning rod.

2. Installation

- Remove the bolt or bolt carrier from your firearm as per the manufacturer's instructions.
- Select the appropriate Sinclair ORing Rod Guide that fits your action and cartridge.
- Gently insert the rod guide into the chamber until it fits securely.
- Ensure the silicone "O" ring creates a proper seal to prevent solvent leakage.

3. Usage

- Attach your cleaning rod to the rod guide.
- Apply the cleaning solvent to the cleaning patch or brush as needed.
- Insert the cleaning rod through the rod guide into the barrel and clean as usual.
- After cleaning, remove the cleaning rod and rod guide carefully.

4. PostUse

- Inspect the rod guide for any signs of damage or wear after use.
- Clean the rod guide according to the manufacturer's recommendations.

- Store the rod guide in a safe, dry place when not in use.

Disposal Instructions

- Dispose of any damaged rod guides in accordance with local regulations for hazardous materials.
- Do not dispose of the rod guide in regular household waste if it contains solvents or chemicals.
- Consider recycling options for the materials if applicable.

Contact Information for Further Support

For any inquiries or further assistance regarding the Sinclair ORing Rod Guides, please refer to the manufacturer's website or customer service options available.

Thank you for following these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy using your Sinclair ORing Rod Guide responsibly!
