# Safety Instruction Guide for Specialty Cleaning Rod Guides

## Introduction

Thank you for choosing the Specialty Cleaning Rod Guides from Sinclair International. This guide provides essential safety information and instructions for the proper use and maintenance of your cleaning rod guide. Please read this guide carefully to ensure safe and effective use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this manual.
- Inspect the cleaning rod guide before each use for any signs of damage or wear. Do not use if damaged.
- Keep the cleaning rod guide out of reach of children and vulnerable individuals.
- Always follow the manufacturer's instructions when using cleaning solvents or other chemicals.
- In case of an emergency or injury, seek medical attention immediately.

## Specific Safety Precautions for Use

- Use only compatible cleaning rods with the AR308 bore guide to prevent damage.
- Avoid using excessive force when inserting or removing the rod guide to prevent injury or damage.
- Do not use the cleaning rod guide with any other caliber or firearm other than specified in the product description.
- Ensure that the firearm is unloaded before attaching the cleaning rod guide.
- Use eye protection when cleaning firearms to prevent injury from splashes or debris.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the cleaning rod, solvents, and patches.

### 2. Installation:

- Align the cleaning rod guide with the bore of the firearm.
- Gently insert the rod guide into the chamber until it is seated properly.
- Ensure that the O-ring (if applicable) is securely in place to prevent solvent leakage.

### 3. Usage:

- Attach the cleaning rod to the cleaning patch or brush.
- Insert the cleaning rod through the rod guide into the bore.
- Follow the recommended cleaning procedure for your specific firearm and caliber.
- After cleaning, carefully remove the cleaning rod and rod guide from the firearm.

### 4. PostUsage:

- Clean the rod guide with a suitable solvent and allow it to dry completely before storage.
- Store the cleaning rod guide in a safe, dry place away from children.

## **Disposal Instructions**

- Dispose of any cleaning solvents, patches, and other materials in accordance with local regulations.
- If the cleaning rod guide is damaged beyond repair, dispose of it responsibly, ensuring it does not pose a risk to the environment.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of your Specialty Cleaning Rod Guide, please refer to the manufacturer's contact information provided on the packaging or product documentation.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure a safe and effective cleaning experience with your Specialty Cleaning Rod Guides. Always prioritize safety and proper usage to maintain both your equipment and personal safety. Thank you for your attention to these important guidelines.
