

# **SINCLAIR O-RING ROD GUIDES FOR 22 CALIBER TO 6MM PPC - SINCLAIR INTERNATIONAL O-RING ROD GUIDE, 22 CALIBER-6MM PPC, 0.555" DIAMETER**

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Guides](#)

Our Centerfire Cleaning Rod Guides are designed to insert into your action in place of your bolt or bolt carrier. They feature a snout with a silicone "O"-ring that inserts into your chamber, sealing the barrel off from the receiver. The "O"-ring prevents solvents from leaking back into the action area and gumming up the trigger assembly. We currently stock "O"-ring rod guides for over 1000 different action/cartridge combinations. Each rod guide is machined to fit specific actions and cartridge families from .17 up to .338 caliber. Unfortunately some rifle chamberings do not lend themselves to an "O"-ring style rod guide, for these cartridges we recommend one of our Adjustable Cone Style Rod Guides. In an effort to better serve the cleaning needs of our customers, we have upgraded our Sinclair "O"-ring rod guides to include integral solvent ports. This upgrade is now included with every centerfire bolt action rod guide and nearly all AR style rod guides. If you prefer a rod guide without an integral solvent port, please contact us via e-mail or phone and we will happily provide you with a rod guide to your liking. These rod guides without solvent ports will be treated as semi-custom, so please allow 2-4 weeks for delivery of rod guides without solvent ports. There is no additional charge for rod guides without integral solvent ports. Will fit the following Actions: MK 10 MINI MAUSER. NOTE: Measure across around area of bolt about in middle with set of dial calipers. Contact Sinclair Reloading tech for proper rod guide.

## **Attributes**

- Name: [SINCLAIR INTERNATIONAL O-RING ROD GUIDE, 22 CALIBER-6MM PPC, 0.555" DIAMETER](#)
- Manufacturer: [SINCLAIR INTERNATIONAL](#)
- Product no.: 749002904

# Safety Instruction Guide for Sinclair ORing Rod Guides

## Introduction

Thank you for choosing the Sinclair ORing Rod Guides for your cleaning needs. This guide provides essential safety information, usage instructions, and disposal guidelines to ensure the safe and effective use of your product. Please read this document carefully before using the rod guide.

## General Safety Guidelines

- Ensure that the rod guide is compatible with your specific firearm action and cartridge combination.
- Always handle firearms with care and in accordance with standard safety practices.
- Use the rod guide only for its intended purpose as described in this manual.
- Keep the rod guide and all cleaning supplies out of reach of children and vulnerable individuals.
- Regularly inspect the rod guide for signs of wear or damage before each use.
- If you experience any issues with the rod guide, stop using it immediately and contact customer support.

## Specific Safety Precautions for Use

- **Compatibility Check:** Confirm that the rod guide is suitable for your firearm model (e.g., MK 10 Mini Mauser) and cartridge (e.g., 220 Swift, 22 PPC, 6mm PPC).
- **Bolt Diameter Measurement:** Measure the bolt diameter (0.555 inches) accurately using dial calipers to ensure a proper fit.
- **Chamber Sealing:** Ensure the silicone O-ring is properly seated in the chamber to prevent solvent leaks.
- **Solvent Safety:** Use only recommended cleaning solvents and follow the manufacturer's safety instructions. Avoid inhaling fumes and ensure adequate ventilation.
- **Cleaning Procedure:** Insert the rod guide gently into the action. Do not force it into place. Always clean from the chamber end.
- **Avoid Overtightening:** When using cleaning rods, avoid overtightening to prevent damage to the rod guide or firearm.

## Instructions for Installation and Usage

1. **Preparation:** Ensure your firearm is unloaded and pointed in a safe direction.
2. **Measurement:** Use dial calipers to measure the bolt diameter. Confirm that it matches the rod guide specifications (0.555 inches).
3. **Insertion:**
  - Remove the bolt or bolt carrier from your firearm.
  - Carefully insert the O-ring rod guide into the chamber until it is seated securely.
4. **Cleaning:**
  - Attach your cleaning rod to the guide.
  - Insert the cleaning rod gently into the barrel and proceed with your cleaning routine.
5. **PostCleaning:**
  - After cleaning, remove the rod guide from the chamber.
  - Clean and inspect the rod guide for any residue or damage.
6. **Storage:** Store the rod guide in a dry, safe place away from children and pets.

## Disposal Instructions

- Dispose of the rod guide in accordance with local regulations regarding plastic and metal waste.
- Do not dispose of the rod guide in a manner that could pose a risk to the environment or public safety.
- If the rod guide is damaged or no longer usable, consider recycling it if possible.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the Sinclair ORing Rod Guides, please reach out to our customer support team. We are here to assist you with any questions related to safety, usage, or compatibility.

By following these guidelines, you can ensure the safe and effective use of your Sinclair ORing Rod Guides. Thank you for your attention to safety and for choosing our products.
