

# SINCLAIR O-RING ROD GUIDES FOR 25-280 TO 7MM STD CASE - SINCLAIR INTERNATIONAL 25-280-7MM STD CASE O-RING ROD GUIDE 0.590" DIAMETER

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Guides](#)

Our Centerfire Cleaning Rod Guides are designed to insert into your action in place of your bolt or bolt carrier. They feature a snout with a silicone "O"-ring that inserts into your chamber, sealing the barrel off from the receiver. The "O"-ring prevents solvents from leaking back into the action area and gumming up the trigger assembly. We currently stock "O"-ring rod guides for over 1000 different action/cartridge combinations. Each rod guide is machined to fit specific actions and cartridge families from .17 up to .338 caliber. Unfortunately some rifle chamberings do not lend themselves to an "O"-ring style rod guide, for these cartridges we recommend one of our Adjustable Cone Style Rod Guides. In an effort to better serve the cleaning needs of our customers, we have upgraded our Sinclair "O"-ring rod guides to include integral solvent ports. This upgrade is now included with every centerfire bolt action rod guide and nearly all AR style rod guides. If you prefer a rod guide without an integral solvent port, please contact us via e-mail or phone and we will happily provide you with a rod guide to your liking. These rod guides without solvent ports will be treated as semi-custom, so please allow 2-4 weeks for delivery of rod guides without solvent ports. There is no additional charge for rod guides without integral solvent ports. NOTE: Measure across around area of bolt about in middle with set of dial calipers. Contact Sinclair Reloading tech for proper rod guide.

## Attributes

- Name: [SINCLAIR INTERNATIONAL 25-280-7MM STD CASE O-RING ROD GUIDE 0.590" DIAMETER](#)
- Manufacturer: [SINCLAIR INTERNATIONAL](#)

# Consumer Safety Instruction Guide for SINCLAIR ORING ROD GUIDES

## Introduction

Thank you for choosing the SINCLAIR ORING ROD GUIDES for your cleaning needs. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this guide carefully before using the rod guide to understand how to use it safely and correctly.

## General Safety Guidelines

- Ensure that the rod guide is compatible with your firearm's action and cartridge. Refer to the specifications provided.
- Always handle firearms with care and follow standard safety practices.
- Keep the rod guide and all cleaning supplies out of reach of children and vulnerable individuals.
- Regularly inspect the rod guide for any signs of wear or damage before use. Do not use if damaged.
- Use the rod guide only for its intended purpose, as outlined in this guide.
- Report any unsafe conditions or accidents to relevant authorities immediately.

## Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before inserting the rod guide.
- Use the rod guide in a wellventilated area to avoid inhaling fumes from cleaning solvents.
- Avoid contact with eyes and skin when using cleaning solvents. Wear protective gear if necessary.
- Do not modify the rod guide in any way, as this may compromise safety.
- If you experience any adverse reactions while using cleaning solvents, discontinue use immediately and seek medical attention.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded and in a safe condition.
- Gather all necessary cleaning supplies, including the rod guide, cleaning rod, and solvents.

### 2. Inserting the Rod Guide:

- Remove the bolt or bolt carrier from the firearm as per the manufacturer's instructions.
- Take the SINCLAIR ORING ROD GUIDE and gently insert the snout with the silicone "O"ring into the chamber.
- Ensure that the "O"ring creates a seal to prevent solvents from leaking back into the action area.

### 3. Using the Cleaning Rod:

- Attach the cleaning rod to the appropriate cleaning brush or patch.
- Insert the cleaning rod through the rod guide and into the barrel.
- Follow the recommended cleaning procedure for your specific firearm.

### 4. After Use:

- Remove the rod guide from the chamber after cleaning is complete.
- Clean the rod guide with a suitable solvent and store it in a dry place.
- Ensure all cleaning supplies are properly disposed of or stored safely.

## **Disposal Instructions**

- Dispose of any used cleaning solvents and materials according to local regulations.
- Do not dispose of the rod guide in household waste. Check for recycling options or contact your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the SINCLAIR ORING ROD GUIDES, please refer to the contact information provided by the retailer or manufacturer at the time of purchase. Ensure you have the product details and any relevant information ready when reaching out for support.

Thank you for taking the time to read this safety instruction guide. Your safety is our priority, and we hope you enjoy using the SINCLAIR ORING ROD GUIDES for your cleaning needs.
