

# SINCLAIR O-RING ROD GUIDES FOR 308/30-06 FAMILY - SINCLAIR INTERNATIONAL O-RING GUIDE, 30 CALIBER, 0.590" DIAMETER

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Guides](#)

Our Centerfire Cleaning Rod Guides are designed to insert into your action in place of your bolt or bolt carrier. They feature a snout with a silicone "O"-ring that inserts into your chamber, sealing the barrel off from the receiver. The "O"-ring prevents solvents from leaking back into the action area and gumming up the trigger assembly. We currently stock "O"-ring rod guides for over 1000 different action/cartridge combinations. Each rod guide is machined to fit specific actions and cartridge families from .17 up to .338 caliber. Unfortunately some rifle chamberings do not lend themselves to an "O"-ring style rod guide, for these cartridges we recommend one of our Adjustable Cone Style Rod Guides. In an effort to better serve the cleaning needs of our customers, we have upgraded our Sinclair "O"-ring rod guides to include integral solvent ports. This upgrade is now included with every centerfire bolt action rod guide and nearly all AR style rod guides. If you prefer a rod guide without an integral solvent port, please contact us via e-mail or phone and we will happily provide you with a rod guide to your liking. These rod guides without solvent ports will be treated as semi-custom, so please allow 2-4 weeks for delivery of rod guides without solvent ports. There is no additional charge for rod guides without integral solvent ports. Will fit the following Actions: Kimber 84M & 84L. NOTE: Measure across around area of bolt about in middle with set of dial calipers. Contact Sinclair Reloading tech for proper rod guide.

## Attributes

- Name: [SINCLAIR INTERNATIONAL O-RING GUIDE, 30 CALIBER, 0.590" DIAMETER](#)
- Manufacturer: [SINCLAIR INTERNATIONAL](#)
- Product no.: 749002918

# Safety Instruction Guide for SINCLAIR ORING ROD GUIDES

## Introduction

Thank you for choosing the SINCLAIR ORING ROD GUIDE for your 308/3006 family firearms. This guide is designed to provide you with essential safety information, usage instructions, and contact details for further support. Please read this guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure safe use of the product by following all instructions.
- Be aware of potential hazards associated with the use of cleaning rod guides.
- Always keep the product out of reach of children and vulnerable individuals.
- Check for any product recalls or safety notices on the EU Safety Gate platform.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always inspect the rod guide for any damage before use. Do not use if damaged.
- Ensure the firearm is unloaded before inserting the rod guide.
- Use the rod guide only with compatible actions and cartridges as specified.
- Do not force the rod guide into the chamber; it should fit snugly without excessive pressure.
- Avoid using solvents that are not recommended or compatible with the rod guide.
- Store the rod guide in a safe and dry place when not in use.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather necessary cleaning supplies and the SINCLAIR ORING ROD GUIDE.

### 2. Insertion of the Rod Guide:

- Align the rod guide with the chamber of the firearm.
- Gently insert the snout of the rod guide into the chamber until it is seated properly.
- Ensure that the silicone "O"ring creates a seal to prevent solvents from leaking back into the action.

### 3. Cleaning Process:

- Attach a cleaning rod to the rod guide.
- Follow standard cleaning procedures for your specific firearm.
- Use appropriate cleaning solvents and materials as recommended.

### 4. After Use:

- Carefully remove the rod guide from the chamber.
- Clean the rod guide according to the manufacturer's recommendations.
- Store the rod guide in a safe place.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding nonfood products.
- Do not dispose of the product in general waste if it is considered hazardous.
- Check with local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the SINCLAIR ORING ROD GUIDE, please reach out to our support team. You can find our contact details on the official Sinclair International website.

By following these instructions and guidelines, you can ensure safe and effective use of your SINCLAIR ORING ROD GUIDE. Thank you for your attention to safety and for choosing our product.
