

# SINCLAIR O-RING ROD GUIDES FOR 22 CALIBER TO 6MM - SINCLAIR INTERNATIONAL O-RING ROD GUIDE, 22 CALIBER-6MM, 0.590" DIAMETER

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Guides](#)

Our Centerfire Cleaning Rod Guides are designed to insert into your action in place of your bolt or bolt carrier. They feature a snout with a silicone "O"-ring that inserts into your chamber, sealing the barrel off from the receiver. The "O"-ring prevents solvents from leaking back into the action area and gumming up the trigger assembly. We currently stock "O"-ring rod guides for over 1000 different action/cartridge combinations. Each rod guide is machined to fit specific actions and cartridge families from .17 up to .338 caliber. Unfortunately some rifle chamberings do not lend themselves to an "O"-ring style rod guide, for these cartridges we recommend one of our Adjustable Cone Style Rod Guides. In an effort to better serve the cleaning needs of our customers, we have upgraded our Sinclair "O"-ring rod guides to include integral solvent ports. This upgrade is now included with every centerfire bolt action rod guide and nearly all AR style rod guides. If you prefer a rod guide without an integral solvent port, please contact us via e-mail or phone and we will happily provide you with a rod guide to your liking. These rod guides without solvent ports will be treated as semi-custom, so please allow 2-4 weeks for delivery of rod guides without solvent ports. There is no additional charge for rod guides without integral solvent ports. Will fit the following Actions: Enfield SMLE (No. 1 Mk 4 etc) NOTE: Measure across around area of bolt about in middle with set of dial calipers. Contact Sinclair Reloading tech for proper rod guide.

## Attributes

- Name: [SINCLAIR INTERNATIONAL O-RING ROD GUIDE, 22 CALIBER-6MM, 0.590" DIAMETER](#)
- Manufacturer: [SINCLAIR INTERNATIONAL](#)
- Product no.: 749002927

# Safety Instruction Guide for SINCLAIR ORING ROD GUIDES

## Introduction

Thank you for choosing the SINCLAIR ORING ROD GUIDES for your cleaning needs. This guide provides essential safety instructions and information to ensure safe and effective use of the product. Please read this guide carefully before using the rod guides.

## General Safety Guidelines

- Always handle firearms and related accessories with care.
- Ensure that the firearm is unloaded before installing or using the rod guide.
- Store the rod guide in a safe and secure location, away from children and unauthorized users.
- Regularly inspect the rod guide for any signs of wear or damage before each use.
- If you notice any defects or irregularities, discontinue use immediately and contact support.

## Specific Safety Precautions for Use

- Ensure the rod guide is compatible with your specific firearm action and cartridge.
- Use the rod guide only for its intended purpose: cleaning the barrel of your firearm.
- Avoid using excessive force when inserting or removing the rod guide to prevent damage.
- Do not use the rod guide with solvents or cleaning solutions that are not recommended or compatible.
- Always follow the manufacturer's instructions for cleaning and maintenance of your firearm.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your firearm is completely unloaded.
- Gather the necessary cleaning supplies and the SINCLAIR ORING ROD GUIDE.

### 2. Installation:

- Remove the bolt or bolt carrier from your firearm.
- Insert the rod guide snout with the silicone "O"ring into the chamber of the barrel.
- Ensure the "O"ring creates a proper seal to prevent solvents from leaking back into the action area.

### 3. Using the Rod Guide:

- Attach your cleaning rod to the rod guide.
- Use the rod guide to clean the barrel as per your cleaning regimen.
- Periodically check the seal and the condition of the "O"ring during use.

### 4. PostUse:

- After cleaning, remove the rod guide carefully.
- Clean and store the rod guide according to the manufacturer's recommendations.

## Disposal Instructions

- Dispose of any damaged or worn rod guides in accordance with local regulations.

- Do not dispose of the rod guide in regular household waste if it contains hazardous materials.
- Consider recycling options for the materials if applicable.

## **Contact Information for Further Support**

For any inquiries regarding safety, compatibility, or product performance, please reach out to the support team at Sinclair International. Ensure you have the product details at hand when contacting support.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure a safe and effective cleaning experience with your SINCLAIR ORING ROD GUIDES. Always prioritize safety and compliance with local laws and regulations when handling firearms and related accessories. Thank you for your attention to these important safety practices.
