

# SINCLAIR O-RING ROD GUIDES FOR 30 CALIBER TO 7MM WSM - SINCLAIR INTERNATIONAL O-RING ROD GUIDE, 30 CALIBER - 7MM WSM, 0.695" DIAMETER

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Guides](#)

Our Centerfire Cleaning Rod Guides are designed to insert into your action in place of your bolt or bolt carrier. They feature a snout with a silicone "O"-ring that inserts into your chamber, sealing the barrel off from the receiver. The "O"-ring prevents solvents from leaking back into the action area and gumming up the trigger assembly. We currently stock "O"-ring rod guides for over 1000 different action/cartridge combinations. Each rod guide is machined to fit specific actions and cartridge families from .17 up to .338 caliber. Unfortunately some rifle chamberings do not lend themselves to an "O"-ring style rod guide, for these cartridges we recommend one of our Adjustable Cone Style Rod Guides. In an effort to better serve the cleaning needs of our customers, we have upgraded our Sinclair "O"-ring rod guides to include integral solvent ports. This upgrade is now included with every centerfire bolt action rod guide and nearly all AR style rod guides. If you prefer a rod guide without an integral solvent port, please contact us via e-mail or phone and we will happily provide you with a rod guide to your liking. These rod guides without solvent ports will be treated as semi-custom, so please allow 2-4 weeks for delivery of rod guides without solvent ports. There is no additional charge for rod guides without integral solvent ports. Will fit the following Actions: Browning L70, Sako A3, A4, L61, Finnbear, 491, 591, 691, Howa 1500, Tikka, 595, 590, 695, and 690, Cooper 22, Savage AXIS, Kimber 84 (WSM). NOTE: Measure across around area of bolt about in middle with set of dial calipers. Contact Sinclair Reloading tech for proper rod guide.

# Safety Instruction Guide for Sinclair ORing Rod Guides

## Introduction

Thank you for choosing the Sinclair ORing Rod Guides, designed specifically for 30 caliber to 7mm WSM firearms. This guide provides essential safety instructions to ensure the safe use and maintenance of your product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always read and understand the product instructions before use.
- Ensure that the rod guide is compatible with your specific firearm model.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the rod guide for wear or damage before each use.
- Use the rod guide only for its intended purpose as outlined in the instructions.
- Report any unsafe product experiences to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure the firearm is unloaded before inserting the rod guide.
- Avoid using the rod guide with firearms that do not support the Oring design.
- Do not force the rod guide into the chamber; it should fit snugly without resistance.
- Use only recommended solvents and cleaning materials with the rod guide.
- Do not leave solvents in the chamber for extended periods to prevent damage.
- Follow the manufacturer's recommendations for cleaning frequency and methods.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure your firearm is completely unloaded and in a safe condition.
- Gather necessary cleaning supplies and the Sinclair ORing Rod Guide.

### 2. Inserting the Rod Guide

- Remove the bolt or bolt carrier from your firearm action.
- Insert the Oring snout of the rod guide into the chamber until it is seated properly.
- Ensure the Oring creates a seal to prevent solvent leakage.

### 3. Cleaning Procedure

- Attach the appropriate cleaning rod to the rod guide.
- Apply cleaning solvent to the cleaning patch or brush.
- Insert the cleaning rod through the rod guide and into the barrel.
- Clean the barrel according to your firearm's specifications.
- After cleaning, remove the rod guide carefully from the chamber.

### 4. PostUse Care

- Clean the rod guide after each use to remove any residue or solvents.
- Store the rod guide in a safe, dry place away from direct sunlight.

## **Disposal Instructions**

- Dispose of the Sinclair ORing Rod Guide responsibly in accordance with local regulations.
- If the rod guide is damaged or no longer usable, consider recycling it if applicable.
- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For additional assistance, please refer to the manufacturer's website or customer support channels. Ensure you have your product details ready for a quicker response.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your Sinclair ORing Rod Guide. Thank you for your attention to safety and for choosing our product.
