

SINCLAIR O-RING ROD GUIDES FOR 308/30-06 FAMILY - O-RING GUIDE, 30 CALIBER, 0.695" DIAMETER

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Guides](#)

Our Centerfire Cleaning Rod Guides are designed to insert into your action in place of your bolt or bolt carrier. They feature a snout with a silicone "O"-ring that inserts into your chamber, sealing the barrel off from the receiver. The "O"-ring prevents solvents from leaking back into the action area and gumming up the trigger assembly. We currently stock "O"-ring rod guides for over 1000 different action/cartridge combinations. Each rod guide is machined to fit specific actions and cartridge families from .17 up to .338 caliber. Unfortunately some rifle chamberings do not lend themselves to an "O"-ring style rod guide, for these cartridges we recommend one of our Adjustable Cone Style Rod Guides. In an effort to better serve the cleaning needs of our customers, we have upgraded our Sinclair "O"-ring rod guides to include integral solvent ports. This upgrade is now included with every centerfire bolt action rod guide and nearly all AR style rod guides. If you prefer a rod guide without an integral solvent port, please contact us via e-mail or phone and we will happily provide you with a rod guide to your liking. These rod guides without solvent ports will be treated as semi-custom, so please allow 2-4 weeks for delivery of rod guides without solvent ports. There is no additional charge for rod guides without integral solvent ports. Will fit the following Actions: Kimber 84M & 84L. NOTE: Measure across around area of bolt about in middle with set of dial calipers. Contact Sinclair Reloading tech for proper rod guide.

Attributes

- Name: [O-RING GUIDE, 30 CALIBER, 0.695" DIAMETER](#)
- Manufacturer: [SINCLAIR INTERNATIONAL](#)

Safety Instruction Guide for SINCLAIR ORING ROD GUIDES FOR 308/3006 FAMILY

Introduction

Thank you for choosing the SINCLAIR ORING ROD GUIDES. This guide provides essential safety instructions and information to ensure the proper use and maintenance of your rod guide. Please read this guide carefully before using the product to prevent accidents and ensure safe operation.

General Safety Guidelines

- Always use the rod guide in accordance with the manufacturer's instructions.
- Inspect the rod guide before each use for any signs of damage or wear.
- Ensure that the rod guide is compatible with your specific firearm model and cartridge.
- Keep the rod guide out of reach of children and vulnerable individuals.
- Report any unsafe product incidents or accidents to the relevant authorities.
- Check the EU's Safety Gate platform for any recall updates regarding this product.

Specific Safety Precautions for Use

• Potential Hazards:

- Improper use of the rod guide may lead to firearm damage or personal injury.
- Using the rod guide with incompatible firearms or cartridges can cause malfunctions.

• Instructions for Avoiding Hazards:

- Always measure the bolt diameter to ensure proper fit before installation.
- Do not force the rod guide into the chamber; if it does not fit easily, stop using it immediately.
- Use the rod guide only for its intended purpose as specified in this manual.
- Avoid using solvents that are not recommended by the manufacturer.

• AgeSpecific Warnings:

- This product is not intended for use by individuals under the age of 18 without adult supervision.
- Ensure that all users are trained in safe firearm handling and maintenance practices.

Instructions for Installation and Usage

• Installation:

1. Measure the bolt diameter using a set of dial calipers to ensure compatibility with the rod guide.
2. Remove the bolt or bolt carrier from your firearm.
3. Insert the rod guide gently into the chamber until it is fully seated.
4. Ensure that the silicone "O"ring is properly seated in the chamber to create a seal.

• Usage:

- Use the rod guide during the cleaning process to prevent solvents from leaking back into the action area.
- If using a solvent port, ensure it is clear and unobstructed before use.
- After cleaning, remove the rod guide carefully and inspect it for any damage.

- **PostUsage:**

- Clean the rod guide according to the manufacturer's recommendations.
- Store the rod guide in a safe, dry place away from direct sunlight and moisture.

Disposal Instructions

- Dispose of the rod guide in accordance with local regulations for nonhazardous materials.
- If the rod guide is damaged or no longer usable, contact the manufacturer for guidance on proper disposal methods.

Contact Information for Further Support

For further assistance, please refer to the manufacturer's contact details provided with the product or on the official website. Ensure to have your product information ready when seeking support.

By following these guidelines, you can help ensure a safe and effective experience with your SINCLAIR ORING ROD GUIDES. Thank you for your attention to safety!
