

CUSTOM COMPETITION 22 CALIBER (0.224") HPBT RIFLE BULLETS - CUSTOM COMPETITION 22 CALIBER (0.224") HPBT 52GR 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

CUSTOM COMPETITION 22 CALIBER (0.224") HOLLOW POINT BOAT TAIL RIFLE BULLETS Blending the accuracy of Nosler Custom Competition bullet jackets with our own ultra-precise, lead-alloy cores, we've created one of the most accurate match rifle bullets on the market. The hollow point provides a small meplat for reduced drag and increased aerodynamic efficiency while the pronounced boat-tail design provides exceptional flight characteristics over a wide range of velocities. Engineered to exhibit unmatched accuracy, the custom quality jacket form-fits the lead-alloy core for maximum bullet stability and balance. Hand-inspected for quality assurance, Nosler Custom Competition bullets rival all others on the range. FEATURES: Hollow Point Custom Quality Jacket Form-Fitted, Lead-Alloy Core Pronounced Boat-Tail Design

CUSTOM COMPETITION 22 CALIBER HPBT RIFLE BULLETS Safety Instruction Guide

Introduction

Thank you for choosing Nosler Custom Competition 22 Caliber (0.224") Hollow Point Boat Tail Rifle Bullets. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this document carefully before handling or using the bullets.

General Safety Guidelines

- Always handle ammunition with care and respect.
- Store bullets in a cool, dry place away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding the use and storage of ammunition.
- Use appropriate protective equipment, such as safety glasses and hearing protection, when handling or shooting.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that your rifle is compatible with 22 caliber ammunition before use.
- Inspect bullets for any signs of damage before loading.
- Do not use bullets that appear deformed or have visible defects.
- Always follow the manufacturer's loading recommendations and guidelines.
- Never exceed the maximum load specifications when reloading ammunition.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not shoot at hard surfaces or water, as ricochets may occur.
- Keep the firearm pointed in a safe direction at all times.

Instructions for Installation and Usage

- Carefully read the rifle's owner manual for proper loading and handling procedures.
- Load the bullets into the magazine or chamber according to the manufacturer's instructions.
- Ensure that the firearm is in a safe condition before loading or unloading.
- When ready to shoot, position yourself in a stable stance and align your sights with the target.
- After firing, keep the firearm pointed downrange and wait a few moments before checking for any issues.
- Always unload the firearm when not in use or when transporting.

Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not throw bullets in regular trash. Contact local waste management for proper disposal methods.
- Ensure that all bullets are safely stored until disposal.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of Nosler Custom Competition 22 Caliber HPBT Rifle Bullets, please reach out to your local retailer or the manufacturer's customer support. Always ensure you are informed and compliant with safety regulations in your area.

Thank you for prioritizing safety while using our product. Enjoy your shooting experience responsibly!
