# **Safety Instruction Guide for SPECIALTY CLEANING ROD GUIDES AR15 223/5.56MM BORE GUIDE**

## **Introduction**

Thank you for purchasing the Specialty Cleaning Rod Guides for the AR15 and other compatible rifles. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read through the entire document before using the cleaning rod guide.

## **General Safety Guidelines**

- Ensure that you are familiar with the operation of your firearm before using the cleaning rod guide.
- Always handle firearms with care and follow all safety protocols.
- Keep the cleaning rod guide out of reach of children and vulnerable individuals.
- Inspect the cleaning rod guide for any damage before use. Do not use if damaged.
- Store the product in a safe place when not in use.

## **Specific Safety Precautions for Use**

- Use the cleaning rod guide only with compatible firearms (AR15, AR10/SR25, HK91, and Ruger 77/22 Hornet).
- Do not attempt to modify the cleaning rod guide in any way.
- Always ensure the firearm is unloaded before inserting the cleaning rod guide.
- Avoid using excessive force when inserting or removing the cleaning rod guide to prevent damage.
- Do not use the cleaning rod guide with solvents or chemicals that are not recommended by the manufacturer.

## **Instructions for Installation and Usage**

### **1. Preparation:**

- Ensure your firearm is in a safe location and is unloaded.
- Gather your cleaning supplies, including the cleaning rod guide, cleaning rod, and solvent.

### **2. Installation:**

- Insert the cleaning rod guide into the chamber of the firearm.
- Ensure it fits snugly and is seated properly.
- If using a Ruger 77/22 Hornet, ensure you are using the appropriate rimfire type rod guide.

### **3. Cleaning:**

- Attach the cleaning rod to the cleaning rod guide.
- Apply solvent to the cleaning patch or brush as needed.
- Gently push the cleaning rod through the bore, using the guide to maintain alignment.

### **4. Removal:**

- After cleaning, carefully remove the cleaning rod guide from the chamber.
- Inspect the cleaning rod guide for any signs of wear or damage before storing.

## Disposal Instructions

- Dispose of any cleaning materials, such as patches or brushes, in accordance with local regulations.
- The cleaning rod guide can be disposed of in regular waste if it is no longer usable. Ensure it is clean and free from any chemicals before disposal.

## Contact Information for Further Support

For any safety inquiries or concerns related to the Specialty Cleaning Rod Guides, please refer to the manufacturer's website or customer service for assistance.

## Conclusion

Following these safety instructions will help ensure a safe and effective cleaning experience with your Specialty Cleaning Rod Guides. Always prioritize safety and proper handling of your firearm. Thank you for your attention to these guidelines.
