

# NECK REAMER - FORSTER PRODUCTS, INC. 0.3405" INSIDE NECK REAMER

[Reloading](#) > [Case Preparation](#) > [Case Neck Reamers](#)

Forster Inside Neck reamers are designed to remove excess brass from the inside of case neck walls. The Forster Neck Reamer is manufactured from high grade, wear-resistant tool steel and ground .0025" to .003" over the maximum bullet diameter. Constructed with a staggered tooth design so that brass is cut smoothly and without chatter. Neck reaming should only be performed after the cases have been fired with a full load and before the neck or full length sizing operation. Wall thickness can be measured with a tubing micrometer, but a simpler test for excess brass in the neck area is to slide a bullet into a fired, unsized case neck. If you feel interference, the neck should be reamed or outside neck turned.

Inside Neck Reamer .338 Bullet Diameter (.340-.3405)

Wildcat conversions using the .224" bullet with .2200" inside neck diameter and .243" bullet with .2390" inside neck diameter, Forster offers inside neck reamers for these sizes. Use after the CASE sizing operation.

## Attributes

- Name: [FORSTER PRODUCTS, INC. 0.3405" INSIDE NECK REAMER](#)
- Manufacturer: [FORSTER PRODUCTS, INC.](#)
- Product no.: 749003001
- Mfr. No.: NR1338
- Caliber: 338 Caliber (.338)
- Delivery weight: 0.032kg
- Shipping height: 1mm
- Shipping width: 83mm
- Shipping length: 146mm
- UPC: 757253004971

# NECK REAMER SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the Inside Neck Reamer .338 Bullet Diameter (.340.3405) by Forster Products, Inc. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this manual carefully before use.

## General Safety Guidelines

- Ensure proper ventilation when using the reamer to avoid inhaling any dust or debris.
- Always wear appropriate personal protective equipment (PPE), including safety goggles and gloves.
- Keep the reamer out of reach of children and unauthorized users.
- Inspect the tool before each use for any signs of damage or wear.
- Do not use the reamer for purposes other than its intended use.
- Follow all local regulations regarding the handling and disposal of tools.

## Specific Safety Precautions for Use

- Use the reamer only on cases that are specifically designed for .338 caliber ammunition.
- Do not apply excessive force when using the reamer; let the tool do the work.
- Avoid using the reamer in wet or damp conditions to prevent slipping and accidents.
- Always ensure that the reamer is securely clamped or held in place before starting the operation.
- If you experience any unusual resistance or noise during use, stop immediately and inspect the tool.
- Do not attempt to disassemble or modify the reamer.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and equipment before beginning.
- Ensure that your workspace is clean and organized.

### 2. Installation:

- Secure the reamer in a suitable reloading press or holder.
- Make sure the reamer is aligned properly with the case neck.

### 3. Usage:

- Insert the case into the reamer.
- Rotate the handle slowly and steadily to ream the neck of the case.
- Monitor the progress closely to achieve the desired neck thickness.
- Once completed, remove the case carefully.

### 4. PostUse:

- Clean the reamer after each use to prevent buildup of debris.
- Store the reamer in a dry and safe location.

## Disposal Instructions

- Dispose of any metal shavings or debris in accordance with local waste disposal regulations.
- Do not throw the reamer in regular household waste.

- If the reamer is damaged beyond repair, contact your local recycling center for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the Inside Neck Reamer, please consult the manufacturer's website or customer service for assistance.

By following these safety instructions, you will ensure a safe and efficient experience with your Inside Neck Reamer. Thank you for your attention to these important guidelines.
