

# MATCH GRADE BUSHING - HORNADY MATCH GRADE BUSHING/.264

[Reloading](#) > [Reloading Dies](#) > [Neck Size Bushings](#)

The Hornady match Grade Dies feature interchangeable neck sizing bushings that are self centering. The bushings allow the user to size the case neck to the bullet tension you desire. This eliminates the chance of over-sizing your case necks and overworking the brass. Bushings are available in .002 inch increments. The Match Grade Full Length Die will size the case body, bump the shoulder and size the case neck with the selected bushing. The Match Grade Neck Die sizes the neck with the installed bushing and bumps the shoulder only (no body sizing). Both versions feature a self centering decap spindle with an o-ring spindle tensioner, and the elliptical expander ball with headed decap pin - the same pin used in the Custom Grade Dies. These bushing sizer dies have some unique features and are very well made and finished.

## Attributes

- Name: [HORNADY MATCH GRADE BUSHING/.264](#)
- Manufacturer: [HORNADY](#)
- Product no.: 749003023
- Mfr. No.: 594264
- Diameter (in): .264
- Delivery weight: 0.023kg
- Shipping height: 10mm
- Shipping width: 48mm
- Shipping length: 94mm
- UPC: 090255592641

# Safety Instruction Guide for Hornady Match Grade Bushing

## Introduction

Thank you for choosing the Hornady Match Grade Bushing. This product is designed to provide precision and reliability for your reloading needs. To ensure safe and effective use of this product, please read this safety instruction guide carefully. It contains important information regarding safety precautions, usage instructions, and disposal methods.

## General Safety Guidelines

- Product Safety: Always ensure the safe use of the Hornady Match Grade Bushing. Follow all instructions carefully to minimize risks associated with reloading.
- Enhanced Recalls: Stay informed about any product recalls. If you receive a recall notice, follow the instructions provided for returning or replacing the product.
- Online Shopping: If you purchased this product online, ensure that the platform complies with safety requirements similar to those of physical stores.
- Special Consumer Focus: Extra care should be taken when using this product around vulnerable groups, such as children. Keep all components out of reach.
- EU Contact Point: For any safety inquiries, please refer to the contact information provided by your retailer.
- Rapid Alerts: Check the EU Safety Gate platform for updates on product safety and any potential hazards.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and gloves, when handling reloading equipment.
- Ensure that your workspace is clean and free from distractions.
- Verify that the bushing is properly installed before use to prevent accidents.
- Never exceed recommended load specifications when reloading.
- Inspect the bushing and die for any signs of damage or wear before each use.
- Store the bushing in a cool, dry place when not in use to prevent degradation.

## Instructions for Installation and Usage

### 1. Installation of the Bushing:

- Remove the die from the press.
- Unscrew the bushing from the die body.
- Select the appropriate bushing size for your application.
- Screw the selected bushing into the die body until secure.

### 2. Using the Match Grade Full Length Die:

- Insert the case into the die.
- Adjust the die height to ensure proper sizing.
- Pull the handle of the press to size the case body, bump the shoulder, and size the neck with the selected bushing.

### 3. Using the Match Grade Neck Die:

- Insert the case into the neck die.

- Ensure the bushing is installed correctly.
- Pull the handle of the press to size the neck and bump the shoulder only (no body sizing).

#### **4. PostUse Care:**

- Clean the bushing and die after each use to remove any debris.
- Store the bushing and die in a protective case to prevent damage.

## **Disposal Instructions**

- Dispose of any damaged or worn bushings according to local regulations.
- Do not throw away in regular household waste. Check for recycling options or hazardous waste disposal facilities in your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of your Hornady Match Grade Bushing, please refer to the contact information provided by your retailer or the manufacturer's website.

By following these guidelines, you can ensure a safe and effective experience with your Hornady Match Grade Bushing. Thank you for your attention to safety, and happy reloading!
