

# MATCH GRADE BUSHING - HORNADY MATCH GRADE BUSHING/.334

[Reloading](#) > [Reloading Dies](#) > [Neck Size Bushings](#)

The Hornady match Grade Dies feature interchangeable neck sizing bushings that are self centering. The bushings allow the user to size the case neck to the bullet tension you desire. This eliminates the chance of over-sizing your case necks and overworking the brass. Bushings are available in .002 inch increments. The Match Grade Full Length Die will size the case body, bump the shoulder and size the case neck with the selected bushing. The Match Grade Neck Die sizes the neck with the installed bushing and bumps the shoulder only (no body sizing). Both versions feature a self centering decap spindle with an o-ring spindle tensioner, and the elliptical expander ball with headed decap pin - the same pin used in the Custom Grade Dies. These bushing sizer dies have some unique features and are very well made and finished.

## Attributes

- Name: [HORNADY MATCH GRADE BUSHING/.334](#)
- Manufacturer: [HORNADY](#)
- Product no.: 749003026
- Mfr. No.: 594334
- Diameter (Breech): -
- Diameter (in): .334
- Delivery weight: 0.023kg
- Shipping height: 25mm
- Shipping width: 38mm
- Shipping length: 51mm
- UPC: 090255593341

# Safety Instruction Guide for Hornady Match Grade Bushing

## Introduction

Thank you for choosing the Hornady Match Grade Bushing. This product is designed for precision reloading, ensuring that you achieve the desired bullet tension while maintaining the integrity of your brass cases. To ensure safe and effective use of this product, please read and follow the safety guidelines outlined in this document.

## General Safety Guidelines

- Always read the product instructions thoroughly before use.
- Ensure that the product is used in a safe environment, free from distractions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage before use. Do not use if damaged.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling reloading equipment.
- Ensure that your workspace is wellventilated to avoid inhalation of any dust or particles.
- Handle all components of the reloading process with care to prevent accidental discharge.
- Avoid using excessive force when sizing cases to prevent damage to the bushings or the die.
- Store the bushings in a secure location to prevent loss or damage.

## Instructions for Installation and Usage

### 1. Selecting the Correct Bushing:

- Choose the appropriate bushing size based on your desired neck tension. Bushings are available in .002 inch increments.

### 2. Installing the Bushing:

- Ensure the Match Grade Die is clean and free of debris.
- Insert the selected bushing into the neck sizing die until it is fully seated.
- Secure the bushing in place by tightening the locking mechanism.

### 3. Using the Match Grade Full Length Die:

- Insert the case into the die.
- Pull the handle to size the case body, bump the shoulder, and size the case neck with the selected bushing.
- Inspect the case for proper sizing after completion.

### 4. Using the Match Grade Neck Die:

- Insert the case into the neck die.
- Pull the handle to size the neck with the installed bushing and bump the shoulder only.
- Again, inspect the case for proper sizing.

## 5. Cleaning and Maintenance:

- After use, clean the die and bushings to remove any residue.
- Store the bushings in a protective case to prevent damage.

## Disposal Instructions

- Dispose of any damaged or worn bushings and dies in accordance with local regulations.
- Do not dispose of any product components in regular household waste. Check with local recycling facilities for proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the Hornady Match Grade Bushing, please refer to the manufacturer's contact information provided with your product packaging. Ensure that you have the product details ready when seeking assistance.

By following these safety guidelines, you can ensure a safe and effective reloading experience with your Hornady Match Grade Bushing. Thank you for your attention to safety and for choosing Hornady products.
