

AR-15 Chamber Brush rod kit - SINCLAIR INTERNATIONAL AR-15 CHAMBER BRUSH ROD KIT

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Specialty Cleaning Brushes](#)

This stainless steel rod holds an AR chamber brush or swab, one each included, on one end and has the same t-handle as our AR Lug Recess Tool. Turning a chamber brush is difficult with a normal cleaning rod, but is an easy task with this tool. Can be used with any other standard 8-32 threaded brushes or implements. Comes with one AR-15 Chamber Brush and one AR-15 Chamber Swab.

AR15 Chamber Brush Rod Kit Safety Instruction Guide

Introduction

Thank you for purchasing the AR15 Chamber Brush Rod Kit from Sinclair International. This guide provides essential safety instructions and usage information to ensure safe and effective operation of the product. Please read this guide carefully before using the product.

General Safety Guidelines

- **Product Safety:** This product is designed for safe use. Follow all instructions to minimize risks.
- **Enhanced Recalls:** Stay informed about any recalls related to this product. Check official channels for updates.
- **Online Shopping:** Ensure that you purchase this product from authorized retailers to guarantee safety and compliance.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please contact the designated EU safety authority.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on product safety.

Specific Safety Precautions for Use

- **Use Properly:** Always use the AR15 Chamber Brush Rod Kit as intended. Do not modify or misuse the product.
- **Inspect Before Use:** Check the rod and brushes for any damage before each use. Do not use if damaged.
- **Keep Away from Children:** This product contains small parts that can pose a choking hazard. Ensure that it is stored safely.
- **Avoid Excessive Force:** When using the rod, apply only the necessary force to avoid damaging the brush or the chamber.
- **Wear Protective Gear:** Consider wearing safety glasses and gloves to protect yourself from debris and sharp edges.

Instructions for Installation and Usage

1. Assembly:

- Attach the AR15 Chamber Brush or swab to the stainless steel rod by screwing it onto the threaded end.
- Ensure that it is securely attached before use.

2. Using the Chamber Brush:

- Insert the brush into the chamber of the firearm.
- Use the handle to turn the brush gently. Avoid excessive force.
- Clean the chamber thoroughly and remove any debris.

3. Using the Chamber Swab:

- Follow the same steps as above, replacing the brush with the swab.
- The swab can be used for final cleaning after the brush.

4. **Cleaning the Rod:**

- After use, clean the rod and brushes with a suitable cleaning solvent.
- Store the rod and brushes in a dry place to prevent rust.

Disposal Instructions

- **Disposal of Product:** Dispose of the AR15 Chamber Brush Rod Kit in accordance with local regulations for metal and plastic waste.
- **Recycling:** If possible, recycle the stainless steel rod and any plastic components.

Contact Information for Further Support

For further assistance or inquiries regarding safety and usage, please reach out to the appropriate authority or customer support provided by the retailer from which you purchased the product.

Thank you for choosing the AR15 Chamber Brush Rod Kit. Your safety is our priority.
