# Safety Instruction Guide for SIERRA PROHUNTER BULLETS

## Introduction

Thank you for choosing the Sierra ProHunter Bullets. These bullets are designed for optimal performance in hunting and shooting applications. To ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR), please read this safety instruction guide carefully.

## General Safety Guidelines

- Always treat every bullet as if it is loaded.
- Store bullets in a cool, dry place, away from children and unauthorized users.
- Use only in firearms that are in good working condition and designed for the specific caliber.
- Always wear appropriate safety gear, including eye and ear protection, when handling or firing ammunition.
- Be aware of your surroundings and ensure a safe shooting environment.
- Follow all local laws and regulations regarding the use of firearms and ammunition.

## Specific Safety Precautions for Use

- Do not use bullets that are damaged or deformed in any way.
- Ensure that the firearm is unloaded when loading or unloading bullets.
- Avoid mixing different types of ammunition.
- Do not exceed the recommended load specifications for your firearm.
- Always check the barrel for obstructions before firing.
- Do not shoot at hard surfaces or water, as ricochets may occur.

## Instructions for Installation and Usage

### 1. Loading Bullets:

- Ensure the firearm is pointed in a safe direction.
- Open the action and visually inspect the chamber to confirm it is empty.
- Load the bullets according to the firearm manufacturer's instructions.

### 2. Firing:

- Ensure you are in a safe shooting position.
- Aim at your target and ensure that the area behind the target is safe.
- Pull the trigger only when you are ready to shoot.

### 3. Unloading:

- After shooting, open the action and visually inspect the chamber.
- Remove any remaining bullets according to the firearm manufacturer's instructions.

## Disposal Instructions

- Dispose of used or damaged bullets in accordance with local regulations.
- Do not dispose of bullets in regular household waste.
- Contact local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the Sierra ProHunter Bullets, please consult the manufacturer's website or contact your local dealer for assistance.

## **Conclusion**

By following these safety instructions, you can help ensure a safe and enjoyable experience with Sierra ProHunter Bullets. Always prioritize safety and adhere to all guidelines to protect yourself and others. Thank you for your attention to these important safety measures.
