

# POWDER TRICKLER

[Reloading](#) > [Powder Handling](#) > [Powder Tricklers](#)

The Redding Powder Trickler works extremely well. Turn the knob and you can add powder to your scale one or two granules at a time. Brings underweight charges up fast and accurately. The Trickler weighs a full pound so it won't move all over the bench while in use.

# POWDER TRICKLER Safety Instruction Guide

## Introduction

Thank you for choosing the Redding Powder Trickler. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this manual carefully before using the Powder Trickler.

## General Safety Guidelines

- Ensure that the Powder Trickler is used only for its intended purpose.
- Keep the Powder Trickler out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always use the Powder Trickler in a wellventilated area to avoid inhaling any powder particles.
- Avoid using the Powder Trickler in damp or wet conditions to prevent electrical hazards.
- Do not attempt to disassemble or modify the Powder Trickler; this may lead to malfunction or injury.
- Use the knob gently to prevent excessive force that may damage the mechanism.
- Ensure that the scale is stable and properly calibrated before adding powder.

## Instructions for Installation and Usage

### 1. Placement:

- Place the Powder Trickler on a stable, flat surface to prevent it from tipping over during use.
- Ensure that the area is clean and free from any obstructions.

### 2. Loading Powder:

- Open the lid of the Powder Trickler.
- Carefully pour the desired powder into the hopper, taking care not to overfill.
- Close the lid securely to prevent spillage.

### 3. Adjusting the Knob:

- Turn the knob slowly to dispense powder.
- For precise measurements, adjust the knob to release one or two granules at a time.

### 4. Weighing:

- Place your scale next to the Powder Trickler for easy access while dispensing.
- Monitor the scale reading closely to achieve the desired weight.

### 5. After Use:

- Clean the Powder Trickler after each use to prevent powder buildup.
- Store the Powder Trickler in a dry, cool place when not in use.

## **Disposal Instructions**

- Dispose of the Powder Trickler in accordance with local regulations.
- Do not dispose of electronic components in regular waste; check for designated recycling facilities.
- Ensure all materials are disposed of safely to prevent environmental contamination.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the safety and use of the Redding Powder Trickler, please refer to the product packaging for contact details of the manufacturer. Your safety is our priority, and we are here to assist you.

Thank you for your attention to these safety instructions. Enjoy using your Redding Powder Trickler safely and effectively!
