

BALLISTIC TIP VARMINT 20 CALIBER (0.204") BT RIFLE BULLETS - BTV 20 CALIBER (0.204") SPITZER BT 40GR 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

NOSLER BALLISTIC TIP VARMINT 20 CALIBER (0.204") BOAT TAIL RIFLE BULLETS Thriving on ultra-high velocity loads, the Ballistic Tip® Varmint bullet offers devastating performance at distances both near and far. The aerodynamic polymer tip (color coded by caliber) combined with the ultra-thin jacket mouth assures rapid and violent expansion at either end of the velocity scale. The bullet is equipped with a gradually thickening jacket wall that provides maximum energy transfer and optimum weight retention while the ballistically-engineered Solid Base® acts as a platform for large diameter mushrooms. No matter the rifle/cartridge combination you're shooting or what varmint you're shooting at, Nosler Ballistic Tip® delivers match-grade accuracy with all the performance characteristics serious varmint hunters are looking for. FEATURES: Polymer Tip Streamlined tip color coded by caliber. Ultra-Thin Jacket Mouth Assures violent expansion at either end of the velocity scale. Uniform Gradual Thickening The uniform, gradual thickening is designed to keep the bullet together until impact at any velocity. Ballistically Engineered Solid Base Boat tail configuration combines with the streamlined polymer tip for extreme long-range performance and easier loading.

Safety Instruction Guide for BALLISTIC TIP VARMINT 20 CALIBER (0.204") BT RIFLE BULLETS

Introduction

Thank you for choosing the Nosler Ballistic Tip Varmint 20 Caliber (0.204") BT Rifle Bullets. This guide provides essential safety instructions to ensure the safe use and handling of this product. Please read this document carefully to understand the safety measures and proper usage guidelines.

General Safety Guidelines

- Ensure that the product is stored in a cool, dry place away from direct sunlight and moisture.
- Always handle ammunition with care, treating every bullet as if it is loaded.
- Keep the product out of reach of children and unauthorized users.
- Inspect the ammunition for any signs of damage or defects before use.
- Follow all applicable laws and regulations regarding the use and storage of ammunition in your area.
- Use appropriate safety gear, including eye and ear protection, when handling and firing ammunition.

Specific Safety Precautions for Use

- Only use the Nosler Ballistic Tip Varmint bullets in firearms that are specifically chambered for 20 caliber (0.204") cartridges.
- Do not exceed the maximum load recommendations provided by the firearm manufacturer or ammunition reloading manuals.
- Avoid using damaged or corroded ammunition, as this may result in malfunction or injury.
- Always ensure that the firearm is pointed in a safe direction when loading or unloading ammunition.
- Do not attempt to modify or alter the ammunition in any way.
- If a misfire occurs, keep the firearm pointed in a safe direction and wait at least 30 seconds before attempting to eject the cartridge.

Instructions for Installation and Usage

- **Installation:**
 - Ensure that your firearm is unloaded before beginning the installation of the ammunition.
 - Open the box of Nosler Ballistic Tip Varmint bullets and inspect each bullet for any visible defects.
 - Load the bullets into the magazine or chamber of your firearm according to the manufacturer's instructions.
- **Usage:**
 - Always follow the manufacturer's guidelines for your specific firearm when loading and firing ammunition.
 - Maintain a proper shooting stance and grip on the firearm for stability and accuracy.
 - Be aware of your surroundings and ensure that the shooting area is clear of people and obstacles.
 - After firing, properly clean and maintain your firearm to ensure its longevity and safe operation.

Disposal Instructions

- Dispose of any unused or expired ammunition in accordance with local regulations.
- Do not throw ammunition in regular trash; contact local authorities or hazardous waste facilities for proper disposal methods.
- Ensure that all spent casings and packaging materials are disposed of safely to prevent accidental

ingestion or injury.

Contact Information for Further Support

For any questions or concerns regarding the use of Nosler Ballistic Tip Varmint bullets, please refer to the manufacturer's website or contact their customer support team for assistance.

Conclusion

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your Nosler Ballistic Tip Varmint 20 Caliber (0.204") BT Rifle Bullets. Always prioritize safety and adhere to best practices when handling ammunition. Thank you for your attention to these important safety instructions.
