

# XTP® MAG"! 45 CALIBER (.452) PISTOL BULLETS - XTP® MAG"! 45 CALIBER (0.452") 300GR JHP 50/BOX

[Reloading](#) > [Bullets](#) > [Pistol Bullets](#)

Designed for personal defense and medium-game hunting, XTP® Mag™ bullets provide the same controlled expansion, accuracy and dependability that have made XTP® bullets a favorite among target shooters and hunters alike. But XTP® Mag™ bullets are designed to take things a step further — withstanding the higher velocities and impacts of ultra-powerful, magnum handguns while delivering even deeper penetration than standard XTP® bullets. **PRODUCT FEATURES CONTROLLED EXPANSION** Precise serrations divide the XTP® Mag™ into symmetrical sections, strategically weakening the jacket and initiating controlled expansion even at low velocities. **NO EXPOSED LEAD** The gilding metal jacket protects the nose of the bullet, so the hollow cavity functions properly on impact and ensures proper feeding in semi-automatics. **SWAGED CORE** Total uniformity of core density ensures balanced expansion as well as in-flight stability. **DRAWN GILDING METAL JACKET** Expansion is controlled by varying jacket thickness down the length of the XTP® Mag™, providing a definite advantage over plated bullets which have a uniform jacket thickness over the entire bullet. **CANNELURE** On revolver bullets, the cannellure helps achieve accurate, consistent crimping. All cannellures are applied before the final forming process to eliminate any distortion to the finished bullet.

## Attributes

- Name: [XTP® MAG"! 45 CALIBER \(0.452"\) 300GR JHP 50/BOX](#)
- Manufacturer: [HORNADY](#)
- Product no.: 749003150
- Mfr. No.: 45235
- Bullet Style: XTP Mag
- Caliber: 45 Caliber
- Diameter (in): 0.452
- Grain: 300
- Quantity: 50
- Delivery weight: 1.043kg
- Shipping height: 56mm
- Shipping width: 66mm
- Shipping length: 107mm
- UPC: 090255200324

# Safety Instruction Guide for XTP® MAG™ 45 Caliber Pistol Bullets

## Introduction

Thank you for choosing XTP® MAG™ 45 Caliber (.452) Pistol Bullets. Designed for personal defense and mediumgame hunting, these bullets provide controlled expansion, accuracy, and reliability. This safety instruction guide aims to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always handle ammunition with care and respect.
- Store ammunition in a cool, dry place, away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized persons.
- Ensure you are aware of and comply with local laws regarding the use and storage of ammunition.
- Regularly check for any recalls or safety alerts related to your ammunition on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Controlled Expansion:** The XTP® MAG™ bullets are designed for controlled expansion. Ensure proper use to avoid unintended consequences.
- **No Exposed Lead:** The gilding metal jacket protects the bullet's nose. Ensure that the ammunition is not damaged to maintain its integrity.
- **Swaged Core:** The uniformity of core density is crucial for balanced expansion. Avoid using damaged or deformed bullets.
- **Cannelure:** When using revolver bullets, ensure that the cannelure is intact to achieve accurate crimping.
- **Age Restrictions:** This product is intended for use by adults only. Do not allow minors to handle or use this ammunition.

## Instructions for Installation and Usage

- **Installation:**
  - Ensure that the firearm is unloaded before handling ammunition.
  - Load the bullets according to the manufacturer's instructions for your specific firearm.
- **Usage:**
  - Always wear appropriate eye and ear protection when shooting.
  - Ensure that the shooting area is safe and free from obstructions or bystanders.
  - Follow all manufacturer guidelines for your firearm to ensure proper functioning with XTP® MAG™ ammunition.
  - In case of a misfire, follow proper safety protocols for clearing the firearm.

## Disposal Instructions

- Dispose of any unused or damaged ammunition in accordance with local regulations.
- Do not throw ammunition in regular trash. Contact local authorities for proper disposal methods.
- Ensure that spent casings are disposed of safely and do not pose a risk to others.

## **Contact Information for Further Support**

For safety inquiries or concerns regarding this product, please reach out to the appropriate local authorities or the manufacturer. Always ensure that you have the necessary information and resources to address safety questions.

By following these guidelines, you can ensure the safe use of your XTP® MAG™ 45 Caliber Pistol Bullets while complying with the EU General Product Safety Regulation. Your safety and the safety of those around you is of utmost importance. Thank you for your attention to these safety instructions.
