

# STANDARD REAR BAG - PROTEKTOR STANDARD REAR BAG

[Shooting Accessories](#) > [Shooting Rests](#) > [Bench Rest Bags](#)

This rear bag is primarily used when the shooter is not using a mechanical front rest. Most often used with BAG07 as a front bag. Bag size is five inches wide by six and three fourths inches long and two and five eights inches high at the front end then tapers to the rear to match the shape of the rifle stocks. Note: Sand is required to fill this bag.

# Safety Instruction Guide for STANDARD REAR BAG PROTEKTOR

## Introduction

Thank you for choosing the STANDARD REAR BAG PROTEKTOR. This guide provides essential safety instructions and information to ensure the safe use of your product. Please read this guide carefully before using the rear bag.

## General Safety Guidelines

- Ensure that the rear bag is used only for its intended purpose: to stabilize your rifle when not using a mechanical front rest.
- Always check the bag for damage or wear before use. Do not use if damaged.
- Keep the bag away from children and vulnerable individuals to prevent accidents.
- Use the bag on stable surfaces to avoid tipping or slipping during use.
- Be aware of your surroundings when using the rear bag, especially when handling firearms.

## Specific Safety Precautions for Use

- **Filling Material:** Sand is required to fill this bag. Ensure the sand is clean and dry to prevent contamination.
- **Weight Considerations:** Do not overfill the bag, as it may cause instability or difficulty in handling.
- **Firearm Safety:** Always follow firearm safety rules when using the bag in conjunction with your rifle.
- **Environmental Awareness:** Avoid using the bag in wet or slippery conditions to prevent accidents.

## Instructions for Installation and Usage

### 1. Filling the Bag:

- Open the filling port of the rear bag.
- Carefully add clean, dry sand until the bag is filled to your desired weight.
- Close the filling port securely to prevent spillage.

### 2. Positioning the Bag:

- Place the rear bag on a stable, flat surface behind your rifle.
- Ensure the tapered end of the bag is positioned to match the shape of your rifle stock for optimal support.

### 3. Using the Bag:

- Rest the butt of the rifle securely on the rear bag.
- Adjust the position of the bag as needed to achieve the desired height and stability.
- Ensure that the rifle is secure and stable before taking any shots.

### 4. PostUse Care:

- Remove the sand from the bag if you do not plan to use it for an extended period.
- Store the bag in a dry place to prevent moisture damage.

## **Disposal Instructions**

- When disposing of the rear bag, ensure that you follow local regulations for waste disposal.
- If the bag is damaged beyond repair, consider recycling materials where possible.
- Dispose of sand in accordance with local waste management guidelines.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding your STANDARD REAR BAG PROTEKTOR, please reach out to the manufacturer's customer service or your local retailer. Ensure you have the product details available for reference.

## **Conclusion**

By following the safety instructions outlined in this guide, you can enjoy the benefits of your STANDARD REAR BAG PROTEKTOR while ensuring a safe shooting experience. Always prioritize safety and remain aware of your surroundings when using this product. Thank you for your attention to these important guidelines.
