

CASE PREPARATION KIT

[Reloading](#) > [Case Preparation](#) > [Primer Pocket Tools](#) > [Cleaners](#)

This little case prep kit from Redding, some (0000) steel wool, a Krazy Cloth or some Nev'r Dull are all you need to prepare and clean fired and deprimed cases for reloading. The Redding kit includes primer pocket cleaners for large and small primer pockets, three case neck cleaning brushes (.17 to 7mm, 7mm to 35 caliber and .357 to 45 caliber) and a Redding accessory handle. Great kit to use when you just want to clean up a few cases by hand.

CASE PREPARATION KIT Safety Instructions

Introduction

Thank you for choosing the CASE PREPARATION KIT by REDDING. This kit is designed to help you prepare and clean fired and deprimed cases for reloading. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always use the kit in a wellventilated area.
- Keep the kit out of reach of children and pets.
- Inspect all tools and brushes before use for any signs of damage.
- Use appropriate personal protective equipment (PPE), such as gloves and safety glasses, when handling tools and cleaning materials.
- Do not use the kit for any purpose other than intended.

Specific Safety Precautions for Use

- When using steel wool or cleaning cloths, avoid direct contact with skin to prevent irritation.
- Ensure that all cleaning brushes are securely attached to the accessory handle before use.
- Do not apply excessive force when cleaning cases to avoid damaging them.
- Dispose of any used cleaning materials responsibly and in accordance with local regulations.
- If you experience any adverse reactions while using the kit, discontinue use immediately and seek medical advice.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary items from the CASE PREPARATION KIT, including the cleaning brushes, primer pocket cleaners, and accessory handle.
- Ensure that your workspace is clean and free of clutter.

2. Cleaning Fired and Deprimed Cases:

- Select the appropriate cleaning brush for the caliber of the case you are working with.
- Attach the selected brush to the accessory handle securely.
- Insert the brush into the case neck and gently rotate to clean the interior. Avoid excessive force.
- For primer pocket cleaning, choose the corresponding primer pocket cleaner and insert it into the pocket. Rotate gently to remove debris.

3. PostCleaning:

- After cleaning, inspect cases to ensure they are free of dirt and debris.
- Store the cleaned cases in a safe place until you are ready to reload.

Disposal Instructions

- Dispose of used steel wool, cleaning cloths, and any other waste materials in accordance with local waste disposal regulations.
- Do not dispose of cleaning materials in the household trash if they are contaminated with hazardous substances.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of the CASE PREPARATION KIT, please refer to the contact information provided with your product packaging or visit the manufacturer's website for more information.

Thank you for following these safety instructions and for your commitment to safe reloading practices. Enjoy using your CASE PREPARATION KIT!
