

# BULLET SEATER DIES - RCBS SEATER DIE 240 WEATHERBY MAG

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

RCBS bullet seater dies may also be purchased separately. Some reloaders like to have a separate seater die adjusted for each different bullet they shoot, or for different rifles of the same cartridge. RCBS seater dies have built-in taper or roll crimp ring appropriate for the cartridge. Seater dies are packed in an RCBS plastic die box and will fit any 7/8 to 14 reloading press.

## Attributes

- Name: [RCBS SEATER DIE 240 WEATHERBY MAG](#)

# Safety Instruction Guide for RCBS Bullet Seater Die (240 Weatherby Magnum)

## Introduction

Thank you for choosing the RCBS Bullet Seater Die for 240 Weatherby Magnum. This guide provides essential safety instructions, usage guidelines, and disposal information to ensure safe and effective use of your product. Please read this document carefully before using the die.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the die out of reach of children and vulnerable individuals.
- Regularly inspect the die for any signs of damage or wear before each use.
- Always follow the manufacturer's instructions for reloading and using ammunition.
- Use personal protective equipment (PPE) such as safety glasses and gloves when handling reloading materials.
- Be aware of your surroundings and ensure that you are in a safe environment when using the die.

## Specific Safety Precautions for Use

- **Hazard Awareness:** Be aware that improper use of the die can result in serious injury or damage.
- **Handling:** Handle the die with care. Avoid dropping or mishandling it to prevent damage.
- **Reloading Practices:** Follow safe reloading practices, including:
  - Using the correct components (bullets, cases, primers, and powders) for 240 Weatherby Magnum.
  - Not exceeding recommended load data.
- **Crimping:** Ensure the crimping ring is set correctly to avoid overcrimping or undercrimping, which can affect bullet performance and safety.
- **Maintenance:** Keep the die clean and lubricated as per the manufacturer's instructions to ensure smooth operation.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your reloading press is compatible with 7/8 x 14 threads.
- Securely mount the seater die in the press according to the manufacturer's instructions.
- Adjust the die to the desired position for bullet seating.

### 2. Usage:

- Prepare your brass cases and ensure they are clean and free of debris.
- Insert the bullet into the case mouth.
- Raise the ram of the reloading press to position the case in the die.
- Lower the ram slowly to seat the bullet to the desired depth.
- Inspect the seated bullet for proper depth and alignment.
- Repeat the process for each round, ensuring consistent seating.

## Disposal Instructions

- Dispose of any unused or excess reloading materials in accordance with local regulations.
- Do not throw away the die in regular household waste. Check with local authorities for proper disposal methods for metal products.

- Keep all reloading materials out of reach of children and dispose of them safely to prevent accidental ingestion or injury.

## **Contact Information for Further Support**

For any inquiries regarding safety, usage, or product support, please refer to the manufacturer's contact information provided with the product packaging or visit the manufacturer's website.

By following these guidelines and instructions, you can help ensure a safe and effective reloading experience with your RCBS Bullet Seater Die. Always prioritize safety and report any unsafe products or accidents to the appropriate authorities. For updates on product recalls, please check the EU Safety Gate platform.
