

# BULLET SEATER DIES - RCBS SEATER DIE 7MM REM ULTRA MAG

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

RCBS bullet seater dies may also be purchased separately. Some reloaders like to have a separate seater die adjusted for each different bullet they shoot, or for different rifles of the same cartridge. RCBS seater dies have built-in taper or roll crimp ring appropriate for the cartridge. Seater dies are packed in an RCBS plastic die box and will fit any 7/8 to 14 reloading press.

## Attributes

# Safety Instruction Guide for RCBS Bullet Seater Dies 7mm Rem Ultra Mag

## Introduction

Thank you for choosing the RCBS Bullet Seater Die for the 7mm Remington Ultra Magnum. This guide provides essential safety instructions and information to ensure the safe and effective use of your product. Please read this guide carefully before using the die.

## General Safety Guidelines

- Ensure that you are familiar with the reloading process and follow all manufacturer instructions for your reloading press.
- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when handling reloading equipment and components.
- Keep the reloading area clean and free of distractions to avoid accidents.
- Store all reloading components, including dies, in a secure place out of reach of children and pets.
- Regularly inspect your dies for wear or damage before use. Do not use damaged equipment.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Use the RCBS Bullet Seater Die only with the appropriate cartridge (7mm Remington Ultra Magnum).
- Ensure the die is correctly installed in your reloading press before use.
- Adjust the die settings carefully and avoid overtightening, which can lead to equipment failure or accidents.
- Do not exceed the recommended load specifications for your cartridges.
- Always doublecheck your measurements and settings before beginning the reloading process.
- Avoid distractions while reloading, and do not attempt to reload when fatigued or under the influence of substances.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your reloading press is securely mounted and stable.
- Remove the die from its packaging and inspect it for any damage.
- Insert the RCBS Bullet Seater Die into the press and tighten it securely.
- Adjust the die to the desired seating depth according to the specifications for your bullet.

### 2. Usage:

- Prepare your brass cases according to standard reloading practices.
- Place a bullet in the case mouth and raise the ram of the press to seat the bullet.
- Monitor the seating process closely to ensure proper seating depth.
- After seating, lower the ram and inspect the cartridge for proper bullet seating.
- Store completed cartridges in a safe and organized manner.

## Disposal Instructions

- Dispose of any unused or damaged reloading components in accordance with local regulations.
- Do not dispose of spent primers or powder in regular trash. Instead, follow local hazardous waste disposal guidelines.

- Keep all reloading materials and tools out of reach of children during disposal.

## **Contact Information for Further Support**

For any questions or concerns regarding the RCBS Bullet Seater Die or if you require assistance, please refer to the manufacturer's contact information included in the product packaging or visit the manufacturer's website.

By following these safety guidelines and instructions, you can ensure a safe and effective reloading experience with your RCBS Bullet Seater Die. Thank you for your attention to safety.
