# Safety Instruction Guide for the Lee Hand Priming Tool Shellholder Set

## Introduction

Thank you for choosing the Lee Hand Priming Tool Shellholder Set. This product is designed to aid in the safe and efficient priming of cartridges. To ensure your safety and the proper use of this tool, please read this guide carefully and follow all instructions.

## General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage before use; do not use if damaged.
- Report any unsafe conditions or accidents to the relevant authorities.
- Regularly check for product recalls and safety updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use only with compatible Lee Auto Prime models: Auto Prime, Auto Prime XR, and Auto Prime Ergo Prime.
- Do not attempt to use the shellholders with other manufacturers' handheld priming tools or presses.
- Ensure that the workspace is clean and free from clutter before starting.
- Wear safety glasses to protect your eyes from debris during use.
- Always handle cartridges with care to avoid accidental discharge.
- Do not exceed the recommended cartridge specifications for the shellholders.

## Instructions for Installation and Usage

### 1. Installation of Shellholders:

- Select the appropriate shellholder for your cartridge from the set.
- Align the shellholder with the priming tool as per the manufacturer's instructions.
- Ensure it is securely attached before proceeding.

### 2. Usage of the Hand Priming Tool:

- Place the cartridge in the shellholder.
- Firmly but gently squeeze the priming tool handle to seat the primer.
- Repeat as necessary for additional cartridges.
- Always check that the primer is seated correctly before loading the cartridge.

### 3. PostUsage:

- Clean the shellholders after use to remove any debris or residue.
- Store the shellholders in the provided plastic storage box to protect them from damage.

## Disposal Instructions

- Dispose of any damaged or unusable shellholders according to local regulations.
- Do not dispose of shellholders in regular household waste if they contain hazardous materials.
- Consider recycling options for plastic and metal components where applicable.

## **Contact Information for Further Support**

For any inquiries regarding the safety and use of the Lee Hand Priming Tool Shellholder Set, please refer to the manufacturer's contact points as indicated on the packaging or product documentation.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we hope you enjoy using the Lee Hand Priming Tool Shellholder Set responsibly.
