# GUNSMITH PUNCH SET Safety Instruction Guide

## Introduction

Thank you for purchasing the GUNSMITH PUNCH SET by LYMAN. This set is designed for precision work in gunsmithing and other applications requiring careful handling of small components. To ensure your safety and the effective use of this product, please read the following safety instructions carefully.

## General Safety Guidelines

- Always inspect the punch set before use. Check for any visible damage or defects.
- Use the punches only for their intended purpose. Misuse may lead to injury or damage.
- Keep the punch set out of reach of children and pets.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the punch set.
- Work in a welllit area to ensure visibility while using the tools.
- Always secure your workpiece before using the punches to prevent slipping or movement.

## Specific Safety Precautions for Use

- Ensure that the punch tips are clean and free of debris before use.
- Do not use excessive force when using the punches; this may cause bending or breakage.
- If the punch becomes stuck, do not force it out. Instead, gently tap it with a brass drift punch to free it.
- Avoid striking the punch with a hammer directly; use the Brass Tapper or a similar tool to reduce the risk of injury.
- Always store the punch set in the provided storage block when not in use to prevent damage and maintain organization.
- Inspect the storage block regularly for wear and tear, ensuring that it securely holds the punches.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and work materials.
- Ensure your work area is clean and organized.

### 2. Using the Punches:

- Select the appropriate punch size for your task (available sizes: 1/16, 3/32, 1/8, 5/32, and 3/16 in.).
- Position the punch at the desired location on the workpiece.
- Secure the workpiece to prevent movement.
- Use the Brass Tapper to gently strike the punch, ensuring that your hands and body are clear of the striking area.
- After use, clean the punches to remove any debris or residue.

### 3. Storage:

- Place the punches back into the storage block after each use.
- Ensure that the storage block is kept in a dry, safe location.

## Disposal Instructions

- Dispose of any damaged or broken punches in accordance with local waste disposal regulations.
- Do not throw away the punches in regular household waste if they are made of metal; consider recycling.

options.

- Ensure that the storage block is also disposed of properly if it is damaged beyond use.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the GUNSMITH PUNCH SET, please reach out to the designated contact point provided by the manufacturer. Ensure that you have the product details ready for faster assistance.

## **Conclusion**

Following these safety instructions will help ensure that you use the GUNSMITH PUNCH SET safely and effectively. Always prioritize safety and report any unsafe conditions or incidents to the appropriate authorities. Thank you for choosing LYMAN for your gunsmithing needs.
