Sinclair Bolt Stops Safety Instruction Guide

Introduction

Thank you for choosing the Sinclair Bolt Stop. This product is designed specifically for Remington actions and is available in Black and Clear Anodized Aluminum finishes. Your safety is our priority, and this guide provides essential information to ensure the safe use of the bolt stop. Please read this manual carefully before installation and use.

General Safety Guidelines

- Always follow the manufacturer's instructions for installation and use.
- Ensure that the bolt stop is compatible with your specific Remington action model.
- Inspect the product for any visible damage before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe product conditions to the relevant authorities immediately.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use only the recommended tools for installation (5/16 inch to 24 hole must be drilled and tapped).
- Ensure that the bolt stop is securely mounted before using the firearm.
- Avoid using excessive force when operating the bolt stop to prevent breakage or malfunction.
- Do not attempt to modify or alter the bolt stop in any way.
- Always follow safe firearm handling practices when using your firearm with the bolt stop installed.

Instructions for Installation and Usage

Installation Steps

1. **Preparation:** Ensure that the firearm is unloaded and pointed in a safe direction.
2. **Drilling and Tapping:**
 - Using a drill, create a 5/16 inch to 24 hole in the designated area on your Remington action.
 - Follow all safety precautions when using power tools.
3. **Mounting the Bolt Stop:**
 - Align the bolt stop with the drilled hole.
 - Securely fasten the bolt stop using the appropriate screws provided with the product.
4. **Final Inspection:**
 - Ensure that the bolt stop is firmly in place and that there are no loose parts.
 - Test the operation of the bolt stop to confirm it functions correctly.

Usage Instructions

- To operate the bolt stop, simply press the sidemounted lever as instructed.
- Always ensure that the firearm is in a safe condition before engaging or disengaging the bolt stop.
- After use, regularly inspect the bolt stop for wear and tear.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the bolt stop is no longer usable, it should not be placed in regular household waste.
- Consider recycling options where available.

Contact Information for Further Support

For further support or inquiries regarding safety, please refer to the manufacturer's contact information provided with the product packaging.

Thank you for prioritizing safety and for choosing Sinclair Bolt Stops. Enjoy your shooting experience responsibly!
