

SINCLAIR AR-15 BOLT VISE - AR-15 BOLT VISE

[Gunsmith Tools & Supplies](#) > [Rifle Tools](#) > [Bolt Tools](#) > [Ejector Tools](#)

Our bolt vise helps you disassemble your AR-15 bolt easily and without losing any parts. The main function of the tool is to compress the ejector so you can remove the spring pin easily. This enables you to release the pressure on the ejector slowly so the ejector and spring don't go flying off your workbench. The ejector and spring can be replaced if needed and the bolt reassembled easily. The tool cradles the bolt and holds it firmly in place while the screw assembly compresses the ejector. A hole in the vise allows the pin to drop free. The tool can also be used to hold the bolt securely while replacing gas rings and replacing the extractor. NOTE: We recommend you replace the ejector spring pin when reassembling if you have one available. A one sixteenth of an inch punch is required to remove the pin.

Attributes

- Name: [AR-15 BOLT VISE](#)

Safety Instruction Guide for SINCLAIR AR15 BOLT VISE

Introduction

Thank you for choosing the SINCLAIR AR15 BOLT VISE. This tool is designed to assist you in disassembling your AR15 bolt safely and efficiently. It is essential to follow the safety guidelines outlined in this manual to ensure safe usage and to prevent any accidents or injuries.

General Safety Guidelines

- Always read and understand the instructions before using the tool.
- Ensure the work area is clean and free from distractions.
- Keep the tool out of reach of children and vulnerable individuals.
- Inspect the tool for any damage before use. Do not use if damaged.
- Use the tool only for its intended purpose as described in this manual.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the tool.
- Never attempt to modify the tool or use it in a manner not specified by the manufacturer.

Specific Safety Precautions for Use

- When compressing the ejector, ensure your hands are clear of the moving parts to avoid pinching or injury.
- Always use caution when handling small components, such as the ejector and spring, to prevent losing them.
- If you feel any resistance while using the tool, stop and inspect for any obstructions or issues.
- Do not apply excessive force during operation, as this may damage the tool or the bolt.
- If you are unfamiliar with using this type of tool, consider seeking assistance from an experienced user or professional.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and components, including the SINCLAIR AR15 BOLT VISE, a one sixteenth of an inch punch, and any replacement parts if needed.
- Ensure the AR15 is unloaded and in a safe condition before beginning work.

2. Using the Bolt Vise:

- Place the AR15 bolt securely in the vise, ensuring it is cradled properly.
- Adjust the screw assembly to compress the ejector. Ensure it is held firmly in place.
- Locate the hole in the vise which allows the pin to drop free. Use the punch to remove the spring pin carefully.
- Once the ejector is compressed, you can replace the ejector and spring if necessary.
- After completing your work, slowly release the pressure on the ejector to prevent it from flying off the workbench.

3. Reassembly:

- If you have a replacement ejector spring pin, it is recommended to replace it during reassembly.
- Follow the reverse steps to reassemble the bolt, ensuring all parts are correctly fitted and secure.

Disposal Instructions

- Dispose of any damaged or broken components in accordance with local regulations.
- If you no longer need the tool, consider recycling or donating it if it is still functional.

Contact Information for Further Support

For any safety inquiries or additional support, please contact the manufacturer or check the product packaging for specific contact details. It is important to have access to assistance when needed.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience using the SINCLAIR AR15 BOLT VISE. Always prioritize safety and take the necessary precautions to protect yourself and others during use. Thank you for your attention to these important guidelines.
