

CARBIDE PRIMER POCKET UNIFORMERS - PRIMER POCKET UNIFORMER, CARBIDE, PPC/BR

[Reloading](#) > [Case Preparation](#) > [Primer Pocket Tools](#) > [Uniformers](#)

The Sinclair primer pocket uniformers are precision ground from one solid piece of tungsten carbide, so there is no need to worry about changing the depth of cut. These cutters are designed to be used every time you reload. They cut the depth of primer pockets to the correct SAAMI specification and also clean the carbon out of the primer pocket after each firing. Available in 4 sizes: Large Rifle, Small Rifle/Pistol, Large Pistol, and a PPC/BR uniformer.

CARBIDE PRIMER POCKET UNIFORMERS SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Sinclair Carbide Primer Pocket Uniformers. This guide provides essential safety instructions and information to ensure the safe and effective use of this product. Please read all instructions carefully before using the uniformers.

General Safety Guidelines

- **Product Safety:** Ensure the uniformers are used only as intended. Follow all safety instructions to minimize risks.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. Regularly check the EU Safety Gate platform for updates.
- **Online Shopping Protections:** If purchased online, ensure that the retailer complies with EU safety regulations.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For safety inquiries, refer to the manufacturer or authorized seller.
- **Rapid Alerts:** Be aware of updates regarding unsafe products through the Safety Gate system.

Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):** Always wear safety glasses and gloves when using the uniformers to protect against debris and sharp edges.
- **Proper Handling:** Handle the uniformers with care. Avoid dropping or mishandling to prevent damage.
- **Surface Stability:** Ensure that the work surface is stable and secure before using the uniformers to prevent slips or accidents.
- **Check for Damage:** Before each use, inspect the uniformers for any signs of wear or damage. Do not use if damaged.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary materials, including the primer pocket uniformer, reloading tools, and safety equipment.
- Ensure your work area is clean and welllit.

2. Using the Uniformer:

- Select the appropriate size uniformer for your primer pocket (Large Rifle, Small Rifle/Pistol, Large Pistol, or PPC/BR).
- Insert the uniformer into the reloading press according to the manufacturer's instructions.
- Adjust the depth of cut if necessary, ensuring it meets SAAMI specifications.

3. Cutting the Primer Pocket:

- Firmly hold the case in place and slowly operate the press to cut the primer pocket.
- After cutting, remove the case and inspect the pocket for cleanliness and proper depth.

4. Cleaning the Primer Pocket:

- After each firing, use the uniformer to clean carbon deposits from the primer pocket.
- Repeat the cutting process to ensure the pocket is within specifications.

5. PostUse Care:

- Clean the uniformers after each use to remove any debris or residue.
- Store the uniformers in a safe, dry place, away from moisture and extreme temperatures.

Disposal Instructions

- Dispose of any damaged or worn uniformers in accordance with local waste disposal regulations.
- Do not dispose of the uniformers in regular household waste. Check for recycling options for metal tools.

Contact Information for Further Support

For any questions or concerns regarding the use or safety of the Carbide Primer Pocket Uniformers, please refer to the manufacturer or authorized retailer for support.

Thank you for your attention to these safety instructions. Your careful use of the Carbide Primer Pocket Uniformers will ensure a safe and efficient reloading experience.
