

TRIM DIES - REDDING TRIM DIE 22-250 REM

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Redding Trim Dies allow you to file trim your cases without unnecessary resizing. Other manufacturers use sizing die dimensions, forcing you to full length resize when trimming. For case forming and necking brass down from another caliber, Redding Trim Dies can be the perfect intermediate step before full length resizing.

Attributes

- Name: [REDDING TRIM DIE 22-250 REM](#)

Safety Instruction Guide for Redding Trim Die 22250 Rem

Introduction

Thank you for choosing the Redding Trim Die 22250 Rem. This product has been designed to help you trim your cases safely and effectively. Please read this safety instruction guide carefully to ensure proper use and compliance with safety regulations.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the Redding Trim Die by following all instructions and guidelines provided in this document.
- **Enhanced Recalls:** Stay informed about any recall notices related to this product. If a recall occurs, follow the instructions provided for returning or remedying the product.
- **Online Shopping:** When purchasing this product online, ensure that you are buying from a reputable source that complies with EU safety requirements.
- **Special Consumer Focus:** Keep this product out of reach of children and vulnerable individuals. It is not intended for use by minors.
- **EU Contact Point:** For any safety inquiries, please refer to the appropriate EU-based contact for assistance.
- **Rapid Alerts:** Stay updated on any safety alerts regarding this product by checking the EU's Safety Gate platform regularly.

Specific Safety Precautions for Use

- **Read the Manual:** Always read the instruction manual before use to understand the product's features and safety precautions.
- **Personal Protective Equipment (PPE):** Wear appropriate PPE, such as safety glasses and gloves, to protect yourself from debris and sharp edges while using the die.
- **Inspect the Product:** Before each use, inspect the die for any signs of damage or wear. Do not use if damaged.
- **Keep Work Area Clean:** Maintain a clean and organized workspace to prevent accidents and ensure safe operation.
- **Avoid Distractions:** Focus on the task at hand. Avoid distractions that could lead to accidents.
- **Proper Handling:** Handle the die carefully to prevent injury. Do not apply excessive force when using the die.

Instructions for Installation and Usage

1. Installation:

- Ensure the reloading press is securely mounted on a stable surface.
- Install the Redding Trim Die into the reloading press according to the manufacturer's instructions.
- Adjust the die to the desired height for trimming cases.

2. Usage:

- Prepare the cases by cleaning and inspecting them for defects.
- Insert the case into the die and ensure it is properly seated.
- Operate the press slowly and steadily to trim the case without applying excessive force.
- After trimming, remove the case and inspect it for proper length and any defects.
- Repeat the process for additional cases as needed.

3. **PostUse:**

- Clean the die after each use to prevent buildup of debris and maintain optimal performance.
- Store the die in a safe and dry location, away from direct sunlight and moisture.

Disposal Instructions

- **Environmental Responsibility:** Dispose of the product responsibly. Follow local regulations for the disposal of metal and plastic products.
- **Recycling:** If possible, recycle the materials to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the Redding Trim Die 22250 Rem, please refer to the appropriate contact for assistance. Always ensure that you are following the latest safety guidelines and regulations.
