

# BODY DIES - REDDING 6.5X55MM SWEDISH MAUSER BODY DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Body Dies are designed to full length resize the case body, bump the shoulder position for proper chambering, but not size the neck at all. They are made without internal parts and are intended for resizing cases which have become increasingly difficult to chamber after repeated firing. After using a body die, the case should be run through the neck die to achieve proper neck tension. Sold separately or as part of a set.

# BODY DIES REDDING 6.5X55MM SWEDISH MAUSER BODY DIE Safety Instruction Guide

## Introduction

Thank you for purchasing the BODY DIES REDDING 6.5X55MM SWEDISH MAUSER BODY DIE. This product is designed to help you resize cases for your rifle, ensuring proper chambering and performance. To ensure your safety and the safe use of this product, please carefully read and follow the instructions outlined in this guide.

## General Safety Guidelines

- Always handle the body die with care and ensure it is used in a wellventilated area.
- Keep the body die out of reach of children and pets.
- Regularly inspect the body die for any signs of wear or damage before use.
- Use personal protective equipment (PPE) such as safety glasses and gloves when handling reloading equipment.
- Be aware of your surroundings and ensure no distractions while using the body die.
- Follow all local laws and regulations regarding ammunition reloading.

## Specific Safety Precautions for Use

- Ensure that the body die is compatible with the specific cartridge you are using (6.5 x 55 mm Swedish Mauser).
- Do not attempt to resize cases that have been excessively damaged or deformed.
- Always use the body die as part of a complete reloading process, including the use of a neck die after resizing.
- Avoid overtightening the body die in the reloading press to prevent equipment damage or personal injury.
- Do not use the body die for any purpose other than its intended use.
- If you experience any difficulty during resizing, stop immediately and inspect the die and cases for issues.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your reloading press is clean and free of debris.
- Securely mount the body die into the reloading press according to the manufacturer's instructions.
- Adjust the die to the correct height for resizing the case body.

### 2. Usage:

- Prepare your cases by cleaning and inspecting them for defects.
- Insert a case into the reloading press and raise the ram to engage the body die.
- Slowly and steadily apply pressure to resize the case body.
- After resizing, remove the case and check for proper chambering.
- Follow up by running the resized case through a neck die to achieve proper neck tension.

## Disposal Instructions

- Dispose of any defective or damaged body dies in accordance with local waste disposal regulations.
- Do not throw the body die in regular household trash; instead, take it to a designated recycling or hazardous waste facility if applicable.
- Ensure all packaging materials are disposed of responsibly, recycling where possible.

## **Contact Information for Further Support**

For any questions or concerns regarding the BODY DIES REDDING 6.5X55MM SWEDISH MAUSER BODY DIE, please refer to the manufacturer's website or contact their customer service for assistance.

## **Conclusion**

By following the safety instructions and guidelines provided in this document, you can ensure a safe and effective reloading experience with your BODY DIES REDDING 6.5X55MM SWEDISH MAUSER BODY DIE. Always prioritize safety and adhere to best practices while handling reloading equipment. Thank you for choosing our product.
