

BODY DIES - REDDING 7MM REMINGTON MAGNUM BODY DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Body Dies are designed to full length resize the case body, bump the shoulder position for proper chambering, but not size the neck at all. They are made without internal parts and are intended for resizing cases which have become increasingly difficult to chamber after repeated firing. After using a body die, the case should be run through the neck die to achieve proper neck tension. Sold separately or as part of a set.

Attributes

- Name: [REDDING 7MM REMINGTON MAGNUM BODY DIE](#)

BODY DIES REDDING 7MM REMINGTON MAGNUM

BODY DIE Safety Instruction Guide

Introduction

Thank you for choosing the BODY DIES REDDING 7MM REMINGTON MAGNUM BODY DIE. This guide provides essential safety instructions to ensure the proper and safe use of the product. Please read this manual carefully before using the body die to understand the safety precautions and proper handling procedures.

General Safety Guidelines

To ensure safe use of the BODY DIES REDDING 7MM REMINGTON MAGNUM BODY DIE, please follow these general safety guidelines:

- Always use the product in accordance with the manufacturer's instructions.
- Ensure that the workspace is clean and free from obstructions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the body die for any damage or wear before each use.
- Store the body die in a safe, dry place when not in use.
- Use appropriate personal protective equipment (PPE) such as safety glasses when working with reloading equipment.

Specific Safety Precautions for Use

To avoid potential hazards associated with the use of the BODY DIES REDDING 7MM REMINGTON MAGNUM BODY DIE, please observe the following precautions:

- Do not attempt to resize cases that are excessively damaged or deformed.
- Ensure that the body die is compatible with the specific cartridge you are using.
- Avoid applying excessive force when resizing cases to prevent injury or damage to the die.
- Always ensure that the die is properly secured in the press before use.
- Do not exceed the recommended load specifications for your reloading setup.
- Be aware of the potential for lead exposure when handling spent cartridge cases; wash hands thoroughly after use.

Instructions for Installation and Usage

Follow these instructions for the proper installation and usage of the BODY DIES REDDING 7MM REMINGTON MAGNUM BODY DIE:

1. Installation:

- Ensure the reloading press is securely mounted and stable.
- Remove any existing dies from the press if necessary.
- Insert the BODY DIE into the reloading press and tighten it securely.
- Check that the die is aligned correctly and is properly seated.

2. Usage:

- Prepare the cases for resizing by cleaning them to remove dirt and debris.
- Place a case into the shell holder of the press.
- Slowly raise the ram to engage the case with the body die.
- Apply steady pressure to resize the case body and bump the shoulder.

- Once the resizing is complete, lower the ram and remove the resized case.
- Repeat the process for additional cases as needed.
- After using the body die, run the resized cases through a neck die to achieve proper neck tension.

Disposal Instructions

When disposing of the BODY DIES REDDING 7MM REMINGTON MAGNUM BODY DIE or any associated materials, please follow these guidelines:

- Dispose of any damaged or worn components in accordance with local regulations.
- If applicable, recycle materials where possible.
- Do not dispose of any hazardous materials in regular waste.

Contact Information for Further Support

For questions or concerns regarding the BODY DIES REDDING 7MM REMINGTON MAGNUM BODY DIE, please refer to the manufacturer's contact information provided on the packaging or the official website.

Conclusion

By following the safety guidelines and instructions outlined in this guide, you can ensure the safe and effective use of the BODY DIES REDDING 7MM REMINGTON MAGNUM BODY DIE. Always prioritize safety and proper handling to enhance your reloading experience. Thank you for your attention to these important safety instructions.
