

# CARBIDE SIZING BUTTON KIT - REDDING 270 CALIBER CARBIDE SIZING BUTTON

[Reloading](#) > [Reloading Dies](#) > [Replacement Parts & Upgrades](#)

Upgrade your Redding Standard and Type S dies with a carbide sizing button. Makes inside neck sizing smoother and easier without lubrication. Available for bottleneck cartridges in 22 through 30 caliber. The carbide button free floats on the decapping rod allowing it to self-center itself in the case neck. The kit comes complete with a carbide button, retainer, and spare decapping pin. Decap rod not included. Not intended for use on dies other than Redding standard and Type S neck and full length dies.

# **CARBIDE SIZING BUTTON KIT REDDING 270 CALIBER CARBIDE SIZING BUTTON Safety Instruction Guide**

## **Introduction**

Thank you for choosing the CARBIDE SIZING BUTTON KIT REDDING 270 CALIBER CARBIDE SIZING BUTTON. This product is designed to enhance your reloading experience by providing a smoother and easier inside neck sizing process. Please read this safety instruction guide carefully to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

## **General Safety Guidelines**

- Ensure the product is used only for its intended purpose.
- Always wear appropriate safety gear, including eye protection, when using reloading equipment.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for signs of wear or damage before use.
- Report any unsafe product incidents or accidents to the relevant authorities.
- Stay informed about any recall updates through the EU's Safety Gate platform.

## **Specific Safety Precautions for Use**

- Use the carbide sizing button only with Redding standard and Type S neck and fulllength dies.
- Do not use the product with any other brands or types of dies, as this may lead to malfunction or injury.
- Ensure that the decapping rod is securely attached before use. The decap rod is not included in this kit.
- Avoid using excessive force during operation to prevent damage to the product or injury.
- Do not attempt to modify or repair the product. Contact a qualified professional for any necessary repairs.

## **Instructions for Installation and Usage**

### **1. Preparation:**

- Gather all necessary tools and components for installation, including your Redding dies and the CARBIDE SIZING BUTTON KIT.
- Ensure your workspace is clean and welllit.

### **2. Installation:**

- Remove the existing sizing button from your Redding die if applicable.
- Insert the carbide sizing button into the die, ensuring it fits securely.
- Attach the retainer to hold the button in place.
- Ensure that the spare decapping pin is readily available for future use.

### **3. Usage:**

- Load the cartridge case into the die as per your standard reloading procedure.
- Operate the reloading press slowly and steadily to allow the carbide button to selfcenter in the case neck.
- Inspect the sized case for uniformity and check for any signs of damage.
- Store the product in a dry and safe location after use.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations for hazardous waste.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, contact your local waste disposal authority for guidance.

## **Contact Information for Further Support**

For any inquiries or support regarding the CARBIDE SIZING BUTTON KIT REDDING 270 CALIBER CARBIDE SIZING BUTTON, please reach out to the manufacturer or your point of purchase. Ensure that you have your product details ready for a more efficient response.

By following these safety instructions, you can ensure a safe and effective reloading experience with your CARBIDE SIZING BUTTON KIT. Thank you for your attention to safety and for choosing our product.
