

# BODY DIES - REDDING 22-250 REMINGTON BODY DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Body Dies are designed to full length resize the case body, bump the shoulder position for proper chambering, but not size the neck at all. They are made without internal parts and are intended for resizing cases which have become increasingly difficult to chamber after repeated firing. After using a body die, the case should be run through the neck die to achieve proper neck tension. Sold separately or as part of a set.

## Attributes

- Name: [REDDING 22-250 REMINGTON BODY DIE](#)

# Safety Instruction Guide for BODY DIES REDDING 22250 REMINGTON BODY DIE

## Introduction

Thank you for choosing the BODY DIES REDDING 22250 REMINGTON BODY DIE. This product is designed to help you resize cartridge cases for optimal chambering. To ensure your safety and the effective use of this product, please read and follow the safety guidelines outlined in this manual.

## General Safety Guidelines

- Always use this product in accordance with the manufacturer's instructions.
- Ensure a clean and organized workspace to prevent accidents.
- Wear appropriate safety gear, including safety glasses, to protect against debris.
- Keep this product out of reach of children and vulnerable individuals.
- Regularly check for any signs of wear or damage before use.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about any recalls or safety updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

### • Hazard Identification:

- Improper use may lead to personal injury or damage to the firearm.
- Inhalation of dust from resizing operations can pose health risks.

### • Avoiding Hazards:

- Do not exceed the recommended resizing limits for the die.
- Ensure the die is securely mounted before use.
- Avoid wearing loose clothing or jewelry that could get caught in machinery.
- Keep hands and other body parts clear of moving parts during operation.

### • Age Specific Warnings:

- This product is not intended for use by individuals under the age of 18 without adult supervision.
- Ensure that inexperienced users are properly trained before using the die.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your reloading press is compatible with the BODY DIE.
- Securely mount the body die in the reloading press according to the manufacturer's instructions.
- Check alignment and ensure that the die is properly tightened.

### 2. Usage:

- Prepare your cartridge cases by cleaning them to remove any debris.
- Insert the case into the die and ensure it is seated correctly.
- Operate the reloading press smoothly and steadily to resize the case body.
- After using the body die, run the case through the neck die to achieve proper neck tension.

### **3. PostUse Care:**

- Clean the die after each use to maintain performance.
- Store the die in a safe, dry location away from direct sunlight.

## **Disposal Instructions**

- Dispose of any damaged or unusable components according to local regulations.
- Recycle materials where possible to minimize environmental impact.
- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For any inquiries regarding the safety and use of the BODY DIES REDDING 22250 REMINGTON BODY DIE, please refer to the manufacturer's contact information provided with your product.

Thank you for prioritizing safety while using your reloading equipment. Your careful attention to these guidelines will help ensure a safe and effective reloading experience.
