

# CARBIDE SIZING BUTTON KIT - 22 CALIBER CARBIDE SIZING BUTTON

[Reloading](#) > [Reloading Dies](#) > [Replacement Parts & Upgrades](#)

Upgrade your Redding Standard and Type S dies with a carbide sizing button. Makes inside neck sizing smoother and easier without lubrication. Available for bottleneck cartridges in 22 through 30 caliber. The carbide button free floats on the decapping rod allowing it to self-center itself in the case neck. The kit comes complete with a carbide button, retainer, and spare decapping pin. Decap rod not included. Not intended for use on dies other than Redding standard and Type S neck and full length dies.

## **CARBIDE SIZING BUTTON Safety Instructions**

### **Introduction**

Thank you for purchasing the CARBIDE SIZING BUTTON KIT 22 CALIBER CARBIDE SIZING BUTTON. This product is designed to enhance the performance of your Redding Standard and Type S dies, making inside neck sizing smoother and easier without lubrication. Please read this safety instruction guide carefully to ensure safe and effective use of this product.

### **General Safety Guidelines**

- Always read and follow the manufacturer's instructions and guidelines.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recalls and safety updates via the EU's Safety Gate platform.

### **Specific Safety Precautions for Use**

- Use the carbide sizing button only with Redding Standard and Type S neck and fulllength dies.
- Do not attempt to use the carbide sizing button with any other brand or type of die.
- Ensure that the decapping rod is properly installed before use.
- Avoid using excessive force during the sizing process to prevent damage to the product or injury.
- Wear appropriate safety gear, including eye protection, when using this product.
- Do not modify the product in any way.

### **Instructions for Installation and Usage**

#### **1. Preparation:**

- Gather all necessary tools and materials, including the carbide sizing button, retainer, and spare decapping pin.
- Ensure that your Redding die is clean and free from debris.

#### **2. Installation:**

- Remove the existing decapping pin from the decapping rod if applicable.
- Attach the carbide sizing button to the decapping rod, ensuring it is securely fastened.
- Insert the retainer to hold the carbide button in place.
- Reinstall the decapping rod into the die, ensuring it is properly aligned.

#### **3. Usage:**

- Place the cartridge case into the die.
- Operate the reloading press according to the manufacturer's guidelines.
- Allow the carbide button to selfcenter in the case neck during the sizing process.
- Inspect the cartridge case after sizing to ensure proper fit and dimensions.

#### **4. PostUsage:**

- Clean the carbide sizing button and surrounding area to remove any debris or residue.

- Store the product in a safe and dry location away from direct sunlight.

## **Disposal Instructions**

- Dispose of any damaged or worn components according to local regulations.
- Recycle packaging materials where possible.
- Do not dispose of the product in household waste if it contains hazardous materials.

## **Contact Information for Further Support**

For additional support or inquiries regarding the CARBIDE SIZING BUTTON KIT 22 CALIBER CARBIDE SIZING BUTTON, please refer to the manufacturer's contact information provided on the packaging or product documentation.

By following these safety instructions, you can ensure a safe and effective experience with your CARBIDE SIZING BUTTON KIT 22 CALIBER CARBIDE SIZING BUTTON. Thank you for your attention to these important safety guidelines.
