

WILSON CASE GAGE - 6MM BR (1.52") CASE GAGE

[Reloading](#) > [Measuring Tools](#) > [Case Gauges & Headspace Tools](#)

The most important use of a cartridge case gage is for setting up 7/8"-14 press type full length resizing dies. A common error in reloading is to oversize your brass. Headspace of fired cases can quickly and accurately be measured using this tool and a caliper. Regular Style: This one piece gage will check overall length to indicate a need for trimming and datum to head length to assure correct headspace to prevent over sizing. Adjustable Style: For belted mags. While the belt provides support for proper headspace, the life of the case will drastically shorten unless resizing is held to a minimum at the shoulder.
SPECIAL ORDER CASE GAGES ARE AVAILABLE---MEASURE CASE LENGTH ONLY

Attributes

- Name: [6MM BR \(1.52"\) CASE GAGE](#)
- Manufacturer: [L.E. WILSON](#)
- Product no.: 749003859
- Mfr. No.: CG-6BRS
- Cartridge: 6 mm BR Norma
- Delivery weight: 0.136kg
- Shipping height: 30mm
- Shipping width: 36mm
- Shipping length: 86mm
- UPC: 857949005814

WILSON CASE GAGE 6MM BR (1.52") CASE GAGE Safety Instruction Guide

Introduction

Thank you for purchasing the WILSON CASE GAGE 6MM BR (1.52") CASE GAGE. This guide provides essential safety information and instructions to ensure the safe and effective use of this product. Please read this guide thoroughly before use.

General Safety Guidelines

- **Product Safety:** Ensure that you use the case gage according to the instructions provided. This product is designed for nonfood use and should be handled with care.
- **Enhanced Recalls:** Stay informed about potential recalls. If you receive communication regarding a product recall, follow the instructions provided.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements and provides clear product information.
- **Special Consumer Focus:** This product is intended for adult users. Keep out of reach of children to prevent accidental injury.
- **EU Contact Point:** For any safety inquiries, you may contact the designated EU contact point for assistance.
- **Rapid Alerts:** Check the EU's Safety Gate platform for updates on product safety and recalls.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper use of the case gage may lead to inaccurate measurements and potential damage to reloading equipment.
 - Ensure that the gage is free from dirt and debris before use to prevent inaccuracies.
- **Avoiding Hazards:**
 - Always follow the manufacturer's instructions for use and maintenance.
 - Use appropriate personal protective equipment (PPE) such as safety glasses when handling reloading tools.
 - Do not exceed the maximum recommended resizing specifications to prevent case failure.

Instructions for Installation and Usage

- **Setting Up the Case Gage:**
 - Ensure that the area you are working in is clean and welllit.
 - Remove the case gage from its packaging and inspect it for any visible damage.
 - Familiarize yourself with the gage's components and functions as outlined in the product specifications.
- **Using the Regular Style Gage:**
 - Place the cartridge case into the gage.
 - Check the overall length to determine if trimming is necessary.
 - Measure the datum to head length to ensure correct headspace and prevent oversizing.
- **Using the Adjustable Style Gage:**
 - For belted magnum cartridges, ensure the belt is properly aligned within the gage.

- Use the gage to measure headspace and adjust resizing as needed to extend case life.

- **After Use:**

- Clean the gage with a soft cloth to remove any residue.
- Store the gage in a safe, dry place when not in use.

Disposal Instructions

- Dispose of the product according to local regulations regarding metal and plastic waste.
- Do not dispose of the gage in regular household waste. Check with local recycling programs for proper disposal methods.

Contact Information for Further Support

For any inquiries or further assistance regarding the WILSON CASE GAGE 6MM BR (1.52") CASE GAGE, please refer to the warranty information included with your purchase or consult the manufacturer's website for support resources.

Thank you for choosing the WILSON CASE GAGE. By following these safety instructions, you can ensure a safe and effective reloading experience.
