

# WILSON CASE GAGE - 7X57MM MAUSER CASE GAGE

[Reloading](#) > [Measuring Tools](#) > [Case Gauges & Headspace Tools](#)

The most important use of a cartridge case gage is for setting up 7/8"-14 press type full length resizing dies. A common error in reloading is to oversize your brass. Headspace of fired cases can quickly and accurately be measured using this tool and a caliper. Regular Style: This one piece gage will check overall length to indicate a need for trimming and datum to head length to assure correct headspace to prevent over sizing. Adjustable Style: For belted mags. While the belt provides support for proper heads space, the life of the case will drastically shorten unless resizing is held to a minimum at the shoulder.  
SPECIAL ORDER CASE GAGES ARE AVAILABLE---MEASURE CASE LENGTH ONLY

## Attributes

- Name: [7X57MM MAUSER CASE GAGE](#)
- Manufacturer: [L.E. WILSON](#)
- Product no.: 749003947
- Mfr. No.: CG-7MAS
- Cartridge: 7 mm Mauser (7 x 57 mm Mauser)
- Delivery weight: 0.181kg
- Shipping height: 30mm
- Shipping width: 36mm
- Shipping length: 86mm
- UPC: 857949005920

## Safety Instruction Guide

### Introduction

Thank you for choosing the WILSON CASE GAGE 7X57MM MAUSER CASE GAGE. This guide provides important safety information and instructions to ensure the safe and effective use of this product. Please read this guide carefully before using the case gage.

### General Safety Guidelines

- **Product Safety:** This product is designed to be safe for use. Always follow the instructions provided to minimize any risks associated with its use.
- **Enhanced Recalls:** In case of any safety concerns or product recalls, you will be notified through standardized recall notices. Please stay informed.
- **Online Shopping:** If you purchased this product online, you are entitled to the same safety protections as if you bought it in a physical store.
- **Special Consumer Focus:** Extra care is taken to ensure that this product is safe for all users, including vulnerable groups.
- **EU Contact Point:** For any safety inquiries related to this product, there is an EU-based contact available for support.
- **Rapid Alerts:** Stay updated on any unsafe products through the EU's Safety Gate platform.

### Specific Safety Precautions for Use

- **Use Only as Intended:** This case gage is specifically designed for checking cartridge cases for 7 mm Mauser. Do not use it for any other purposes.
- **Avoid Oversizing:** Regularly check your brass to prevent oversizing, which can lead to unsafe reloading practices.
- **Handle with Care:** Use the case gage and caliper carefully to avoid accidents or injuries.
- **Keep Out of Reach of Children:** This product is not a toy and should be kept out of reach of children to prevent accidental use or injury.
- **Inspect Before Use:** Always inspect the gage for any signs of damage or wear before using it. Do not use if damaged.
- **Follow All Instructions:** Adhere to the installation and usage instructions provided in this guide to ensure safe operation.

### Instructions for Installation and Usage

#### 1. Setting Up the Gage:

- Ensure that the gage is clean and free from debris.
- Use a caliper to measure the headspace of fired cases accurately.

#### 2. Using the Gage:

- Insert the cartridge case into the gage.
- Check the overall length to determine if trimming is needed.
- Measure the datum to head length to confirm correct headspace.
- For belted magnum cases, ensure that resizing is minimal at the shoulder to prolong case life.

#### 3. Regular Maintenance:

- Clean the gage after each use to maintain its accuracy and longevity.
- Store the gage in a safe, dry place when not in use.

## Disposal Instructions

- **Proper Disposal:** Dispose of the case gage in accordance with local regulations. Do not dispose of it in regular household waste.
- **Recycling:** If applicable, consider recycling the product to minimize environmental impact.

## Contact Information for Further Support

For additional support or safety inquiries, please refer to the contact information provided with your product or consult the EU's Safety Gate platform for updates and recalls.

Thank you for following this safety instruction guide. Your safety and satisfaction are our top priorities. Always prioritize safety when using the WILSON CASE GAGE 7X57MM MAUSER CASE GAGE.
