

WILSON CASE GAGE - 6.5MM GRENDEL CASE GAGE

[Reloading](#) > [Measuring Tools](#) > [Case Gauges & Headspace Tools](#)

The most important use of a cartridge case gage is for setting up 7/8"-14 press type full length resizing dies. A common error in reloading is to oversize your brass. Headspace of fired cases can quickly and accurately be measured using this tool and a caliper. Regular Style: This one piece gage will check overall length to indicate a need for trimming and datum to head length to assure correct headspace to prevent over sizing. Adjustable Style: For belted mags. While the belt provides support for proper headspace, the life of the case will drastically shorten unless resizing is held to a minimum at the shoulder.
SPECIAL ORDER CASE GAGES ARE AVAILABLE---MEASURE CASE LENGTH ONLY

Attributes

- Name: [6.5MM GRENDEL CASE GAGE](#)
- Manufacturer: [L.E. WILSON](#)
- Product no.: 749003956
- Mfr. No.: CG-65GRN
- Cartridge: 6.5 Grendel
- Delivery weight: 0.136kg
- Shipping height: 30mm
- Shipping width: 36mm
- Shipping length: 89mm
- UPC: 857949005777

WILSON CASE GAGE 6.5MM GRENDLE CASE GAGE

Safety Instruction Guide

Introduction

Thank you for choosing the WILSON CASE GAGE 6.5MM GRENDLE CASE GAGE. This product is designed to ensure the safe and accurate measurement of cartridge cases, helping you achieve optimal reloading results. It is essential to follow the safety guidelines and instructions provided in this guide to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- **Product Safety:** This product is intended for safe use in measuring cartridge cases. Ensure you are familiar with its operation before use.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. Regularly check the EU Safety Gate platform for updates.
- **Online Shopping Protections:** If purchased online, ensure the retailer complies with safety standards.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point.
- **Rapid Alerts:** Be aware of the Safety Gate system for quick notifications regarding unsafe products.

Specific Safety Precautions for Use

- **Read Instructions:** Always read and understand the instruction manual before using the case gage.
- **Inspect Before Use:** Check the gage for any signs of damage or wear before each use. Do not use if damaged.
- **Use Properly:** Only use the case gage for its intended purpose. Misuse can lead to inaccurate measurements and potential hazards.
- **Wear Safety Gear:** When reloading, wear appropriate safety gear, including eye protection and gloves.
- **Avoid Oversizing:** Be cautious not to oversize your brass, as this can lead to malfunction or accidents.
- **Store Safely:** Keep the case gage in a safe and dry place when not in use to prevent damage and ensure longevity.

Instructions for Installation and Usage

1. Setting Up the Gage:

- Ensure the gage is clean and free of debris.
- Place the gage on a stable, flat surface.

2. Using the Gage:

- For Regular Style:
 - Insert the cartridge case into the gage.
 - Check the overall length to determine if trimming is necessary.
 - Measure the datum to head length to verify headspace.
- For Adjustable Style:
 - Use this style specifically for belted magnums.
 - Ensure the belt is properly supported for accurate headspace measurement.
 - Minimize resizing at the shoulder to prolong case life.

3. Measuring Headspace:

- Use a caliper in conjunction with the case gage to measure headspace accurately.
- Follow all instructions carefully to ensure correct measurements.

4. Final Checks:

- After measuring, remove the case from the gage and inspect it for any defects.
- Store the gage properly after use.

Disposal Instructions

- **Environmental Considerations:** Dispose of any used cartridge cases and packaging materials in accordance with local regulations.
- **Recycling:** If applicable, recycle materials where possible to minimize environmental impact.
- **Hazardous Waste:** Do not dispose of the gage or any related materials in regular household waste if they are deemed hazardous. Follow local guidelines for hazardous waste disposal.

Contact Information for Further Support

For any questions or concerns regarding the WILSON CASE GAGE 6.5MM GRENDAL CASE GAGE, please refer to the designated EU contact point for assistance. It is important to ensure that you have access to support for safe and effective use of this product.

By following these guidelines, you can ensure a safe and effective experience with the WILSON CASE GAGE 6.5MM GRENDAL CASE GAGE. Thank you for prioritizing safety in your reloading practices.
