

# WILSON CASE GAGE - 6.8MM REMINGTON SPC CASE GAGE

[Reloading](#) > [Measuring Tools](#) > [Case Gauges & Headspace Tools](#)

The most important use of a cartridge case gage is for setting up 7/8"-14 press type full length resizing dies. A common error in reloading is to oversize your brass. Headspace of fired cases can quickly and accurately be measured using this tool and a caliper. Regular Style: This one piece gage will check overall length to indicate a need for trimming and datum to head length to assure correct headspace to prevent over sizing. Adjustable Style: For belted mags. While the belt provides support for proper headspace, the life of the case will drastically shorten unless resizing is held to a minimum at the shoulder.  
SPECIAL ORDER CASE GAGES ARE AVAILABLE---MEASURE CASE LENGTH ONLY

## Attributes

- Name: [6.8MM REMINGTON SPC CASE GAGE](#)
- Manufacturer: [L.E. WILSON, INC.](#)
- Product no.: 749003958
- Mfr. No.: CG-68SPC
- Cartridge: 6.8 mm Remington SPC
- Delivery weight: 0.181kg
- Shipping height: 33mm
- Shipping width: 33mm
- Shipping length: 81mm
- UPC: 857949005104

# WILSON CASE GAGE 6.8MM REMINGTON SPC CASE GAGE Safety Instructions

## Introduction

Thank you for choosing the WILSON CASE GAGE 6.8MM REMINGTON SPC CASE GAGE. This product is designed to assist in the safe and accurate resizing of cartridge cases. To ensure your safety and the proper functioning of this tool, please read and follow the safety instructions and guidelines provided in this manual.

## General Safety Guidelines

- **Product Safety:** This product is designed to meet safety standards for nonfood items. Always use it according to the instructions to avoid risks.
- **Enhanced Recalls:** Stay informed about any product recalls. If you receive a recall notice, follow the instructions provided for returning or disposing of the product.
- **Online Shopping Safety:** If purchased online, ensure that the platform complies with safety regulations to guarantee safe delivery and product quality.
- **Special Consumer Focus:** This product is not intended for children. Keep it out of reach of minors to prevent accidents.
- **EU Contact Point:** For safety inquiries, ensure that you have access to an EUbased contact point for assistance.
- **Rapid Alerts:** Be proactive in checking the EU's Safety Gate platform for updates on unsafe products.

## Specific Safety Precautions for Use

- **Read Instructions:** Always read the user manual before using the case gage.
- **Inspect the Tool:** Before each use, inspect the gage for any signs of damage or wear. Do not use if damaged.
- **Proper Handling:** Handle the gage carefully to avoid dropping or mishandling, which may lead to injury or damage.
- **Use Personal Protective Equipment (PPE):** Wear safety glasses and gloves when using the gage to protect against potential injury.
- **Avoid Oversizing:** Follow the guidelines for measuring headspace to prevent oversizing of your brass, which can lead to malfunction or accidents.
- **Keep Work Area Clean:** Maintain a clean and organized workspace to prevent accidents and ensure safe operation.

## Instructions for Installation and Usage

### 1. Setting Up the Gage:

- Ensure your workspace is clean and welllit.
- Gather necessary tools, including a caliper for accurate measurements.

### 2. Using the Gage:

- Insert the cartridge case into the gage.
- Check the overall length to determine whether trimming is necessary.
- Measure the datum to head length to ensure correct headspace.
- For belted magnums, ensure that resizing is minimal at the shoulder to prolong case life.

### 3. PostUse Care:

- Clean the gage after each use to remove any debris or residue.
- Store the gage in a safe, dry place away from direct sunlight and moisture.

## Disposal Instructions

- **Environmental Considerations:** Dispose of the product in accordance with local regulations. Do not dispose of the gage in regular household waste.
- **Recycling:** If applicable, check for recycling options for metal and plastic components of the gage.

## Contact Information for Further Support

For any questions or concerns regarding the WILSON CASE GAGE 6.8MM REMINGTON SPC CASE GAGE, please refer to the manufacturer's contact information provided with your purchase. Ensure you have the product details ready when reaching out.

By following these safety instructions, you can ensure a safe and effective experience with your WILSON CASE GAGE. Thank you for your attention to safety.
