

# WILSON CASE GAGE - 6X47MM LAPUA CASE GAGE

[Reloading](#) > [Measuring Tools](#) > [Case Gauges & Headspace Tools](#)

The most important use of a cartridge case gage is for setting up 7/8"-14 press type full length resizing dies. A common error in reloading is to oversize your brass. Headspace of fired cases can quickly and accurately be measured using this tool and a caliper. Regular Style: This one piece gage will check overall length to indicate a need for trimming and datum to head length to assure correct headspace to prevent over sizing. Adjustable Style: For belted mags. While the belt provides support for proper headspace, the life of the case will drastically shorten unless resizing is held to a minimum at the shoulder.  
SPECIAL ORDER CASE GAGES ARE AVAILABLE---MEASURE CASE LENGTH ONLY

## Attributes

- Name: [6X47MM LAPUA CASE GAGE](#)
- Manufacturer: [L.E. WILSON, INC.](#)
- Product no.: 749003977

## Safety Instruction Guide

### Introduction

Thank you for purchasing the WILSON CASE GAGE 6X47MM LAPUA CASE GAGE. This tool is designed to help you accurately measure cartridge cases, ensuring safe and effective reloading practices. It is important to follow the safety guidelines and instructions provided in this manual to ensure the safe use of this product.

### General Safety Guidelines

- **Product Safety:** This product is designed to ensure safe use when measuring cartridge cases. Always follow the instructions for safe handling and operation.
- **Enhanced Recalls:** In the event of a product recall, you will be notified through standardized notices. Please ensure you are aware of any recalls related to this product.
- **Online Shopping:** If purchased online, you have the same safety protections as if you bought it in a physical store. Ensure that the online platform complies with safety standards.
- **Special Consumer Focus:** This product is not suitable for children. Keep out of reach of minors to prevent accidents.
- **EU Contact Point:** For any safety inquiries, please refer to the appropriate EU contact point.
- **Rapid Alerts:** Stay informed about any updates related to this product by checking the EU's Safety Gate platform.

### Specific Safety Precautions for Use

- Always inspect the gage for any damage before use. Do not use if damaged.
- Use the gage in a welllit and organized workspace to avoid accidents.
- Keep your hands dry and clean when handling the gage to ensure a secure grip.
- Avoid using excessive force when measuring cases to prevent injury or damage to the tool.
- Do not use the gage for purposes other than its intended use, which is measuring cartridge cases.
- Store the gage in a safe place when not in use, away from moisture and extreme temperatures.

### Instructions for Installation and Usage

#### 1. Setting Up the Gage:

- Ensure you have a clean and flat surface to work on.
- Familiarize yourself with the gage parts and their functions.

#### 2. Measuring Cases:

- Insert the cartridge case into the gage.
- Use a caliper to measure the headspace of the fired cases accurately.
- Check the overall length to determine if trimming is necessary.

#### 3. Adjustable Style Use (for belted mags):

- When using the adjustable style, ensure the belt is properly seated to maintain correct headspace.
- Minimize resizing at the shoulder to extend the life of the case.

#### 4. Regular Checks:

- Regularly check your gage for accuracy and functionality.

- If you notice any discrepancies, recalibrate or replace the gage as necessary.

## **Disposal Instructions**

- Dispose of the gage in accordance with local regulations for electronic waste and materials.
- Do not dispose of the gage in regular household waste. Check with your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the WILSON CASE GAGE 6X47MM LAPUA CASE GAGE, please refer to the appropriate contact point for assistance.

By following these safety instructions, you can ensure a safe and effective experience with your WILSON CASE GAGE. Thank you for your attention to these important guidelines.
