

# SINCLAIR HANDWHEEL- STAINLESS STEEL - SINCLAIR INTERNATIONAL SHOOTING REST LIGHTWEIGHT HANDWHEEL, STAINLESS STEEL

[Shooting Accessories](#) > [Shooting Rests](#) > [Shooting Rest Accessories](#)

Additional handwheels make switching tops on a Sinclair rest a snap. Many shooters like to have two handwheels if they are using a B/R top in competition and an All Purpose top for sighting in hunting rifles or varmint shooting. Our stainless steel handwheel fits all Sinclair rest post except competition rest. Only fits the lite weight rest, does not fit Gen II rest.

# Sinclair Handwheel Safety Instruction Guide

## Introduction

Thank you for choosing the Sinclair Handwheel Stainless Steel from Sinclair International. This guide provides essential safety instructions to ensure the safe use of your handwheel and to comply with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

## General Safety Guidelines

- Always ensure that the handwheel is properly attached to the rest before use to prevent accidents.
- Inspect the handwheel for any signs of damage or wear before each use. Do not use if damaged.
- Keep the handwheel and all accessories out of reach of children.
- Use the handwheel only for its intended purpose as described in this guide.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Ensure that the handwheel is compatible with your Sinclair rest post. It is designed to fit all Sinclair rest posts except competition rests.
- Do not use the handwheel with Gen II rests as it is not compatible.
- When switching tops on the Sinclair rest, ensure that the rest is stable and secure to avoid tipping or falling.
- Always follow manufacturer instructions when using the handwheel in conjunction with other accessories.
- Avoid applying excessive force when adjusting the handwheel, as this may lead to malfunction or damage.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the Sinclair rest is on a stable surface.
- Align the handwheel with the post of the Sinclair rest.
- Turn the handwheel clockwise until it is securely attached. Do not overtighten.

### 2. Usage:

- To switch tops, loosen the handwheel by turning it counterclockwise.
- Carefully remove the top and replace it with the desired one.
- Secure the new top by turning the handwheel clockwise until tight.
- Check that the top is firmly attached before using the rest.

### 3. Maintenance:

- Regularly clean the handwheel with a soft cloth to remove dirt and debris.
- Inspect the handwheel periodically for signs of wear or damage.
- Store the handwheel in a dry place when not in use to prevent corrosion.

## Disposal Instructions

- Dispose of the handwheel in accordance with local regulations.
- Do not dispose of the handwheel in regular household waste.
- If the handwheel is damaged beyond repair, consider recycling it if possible.

## **Contact Information for Further Support**

For any inquiries regarding safety or product issues, please contact your local retailer or the manufacturer directly. Ensure you have your product details and any relevant information ready for assistance.

By following these guidelines, you can ensure the safe and effective use of your Sinclair Handwheel. Thank you for your attention to safety!
