

# MATCH VARMINT 6MM (0.243") FLAT BASE BULLETS - BERGER BULLETS 6MM (0.243") 80GR FLAT BASE 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Berger Varmint Bullets feature Match Grade quality construction and have a large hollow point that produces rapid expansion when used for varmint hunting. Each bullet is made with thin nosed J4 Precision Jackets which are renowned by competitive target shooters and custom bullet makers worldwide. Berger Varmint Bullets use a tangent ogive design making these easy to load, tune, and shoot accurately. J4 Precision Jackets have a Total Indicated Runout (TIR) of +/- .0001 and extremely tight manufacturing tolerances. Berger Varmint Bullets provide match-quality construction and accuracy, increasing your hit percentage and extending your effective lethal range.

# **Safety Instruction Guide for MATCH VARMINT 6MM (0.243") Flat Base Bullets**

## **Introduction**

Thank you for choosing the MATCH VARMINT 6MM Flat Base Bullets by Berger Bullets. This guide provides essential safety instructions to ensure the safe use of this product. Please read through the entire document carefully before use.

## **General Safety Guidelines**

- Ensure that all users are familiar with the safe handling and usage of ammunition.
- Store bullets in a cool, dry place, away from direct sunlight and moisture.
- Keep out of reach of children and unauthorized persons.
- Always check for recalls or safety alerts regarding this product on the EU Safety Gate platform.
- Report any unsafe products or accidents to the appropriate authorities.

## **Specific Safety Precautions for Use**

- Always wear appropriate eye and ear protection when using firearms.
- Handle all ammunition with care; treat every bullet as if it is live.
- Do not use damaged or defective bullets. Inspect for any visible defects before use.
- Ensure that your firearm is compatible with the 6MM caliber bullets before loading.
- Follow the manufacturer's loading guidelines for optimal performance and safety.
- Avoid using the bullets in firearms that are not designed for this caliber.

## **Instructions for Installation and Usage**

- Before loading, ensure that your firearm is pointed in a safe direction.
- Check the firearm's chamber to ensure it is empty before loading new bullets.
- Load bullets one at a time, ensuring they are seated properly in the chamber.
- After loading, always keep the firearm pointed in a safe direction until ready to shoot.
- Follow all local laws and regulations regarding the use of ammunition and firearms.

## **Disposal Instructions**

- Dispose of unused or damaged bullets in accordance with local regulations.
- Do not throw bullets in regular trash. Contact local waste management for proper disposal methods.
- Ensure that all bullets are safely stored until disposal.

## **Contact Information for Further Support**

For any safety inquiries or further information, please contact the appropriate authorities or your retailer. Always ensure that you have access to reliable support for safe usage and handling.

Thank you for your attention to these safety instructions. Your safety is our priority.
