

# MATCHKING 6.5MM (0.264") BULLETS - SIERRA BULLETS MATCHKING 6.5MM (.264") 120GR HOLLOW POINT BOAT TAIL 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

MatchKing Bullets are the classification for Sierra's pre-eminent target bullets. The driving motivation for the design of each MatchKing bullet is accuracy. These bullets have very thin jackets drawn to an exacting concentricity standard of 0.0003 in maximum variation, and their weight is held to within  $\pm$  0.3 grain. All MatchKing have a hollow point design with a very small meplat for high ballistic coefficient. The majority of these bullets have a boat tail shape to further minimize drag and improve ballistic coefficient. They are manufactured to the very highest quality standards. Their accuracy has been acclaimed worldwide, and they have been used to win more target competitions than all target bullets from other manufacturers combined. While they are recognized around the world for record-setting accuracy, MatchKing® bullets are not recommended for most hunting applications.

## Attributes

- Name: [SIERRA BULLETS MATCHKING 6.5MM \(.264"\) 120GR HOLLOW POINT BOAT TAIL 100/BOX](#)
- Manufacturer: [SIERRA BULLETS](#)
- Product no.: 749004006
- Mfr. No.: 1725
- Ballistic Coefficient (G1): 0.421

# MATCHKING 6.5MM (.264") BULLETS SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the MATCHKING 6.5MM (.264") Bullets by Sierra Bullets. This guide provides important safety information and instructions to ensure the safe handling, usage, and disposal of the product. Please read and follow these guidelines carefully.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the MATCHKING bullets as they are classified as nonfood products. Follow all safety instructions to minimize risks.
- **Enhanced Recalls:** Be aware that standardized recall notices may be issued for dangerous products. Stay informed about any recalls related to this product.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements equivalent to those of physical stores.
- **Special Consumer Focus:** Extra care should be taken when handling these bullets, especially around vulnerable groups, including children.
- **EU Contact Point:** For any safety inquiries, please refer to the appropriate EU-based contact point as required by the regulations.
- **Rapid Alerts:** Stay updated on any unsafe product alerts through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Handling:** Always handle bullets with care. Avoid touching the bullet tip or the hollow point to prevent contamination and ensure accuracy.
- **Storage:** Store bullets in a cool, dry place away from direct sunlight and moisture. Keep them out of reach of children and unauthorized users.
- **Usage:** Use these bullets only in firearms that are compatible with the 6.5MM caliber. Always follow the firearm manufacturer's guidelines for ammunition use.
- **Protective Gear:** Wear appropriate safety gear, including eye protection and hearing protection, when using firearms loaded with MATCHKING bullets.
- **Distraction-Free Environment:** Ensure that you are in a distraction-free environment while handling or using the bullets to maintain focus and safety.
- **Emergency Procedures:** In case of an accident or injury, seek immediate medical attention and report the incident to the appropriate authorities.

## Instructions for Installation and Usage

- **Installation:**
  - Ensure that your firearm is unloaded before attempting to load the bullets.
  - Carefully insert the MATCHKING bullets into the magazine or chamber according to the firearm's specifications.
  - Always follow the manufacturer's instructions for loading and unloading your firearm.
- **Usage:**
  - Before shooting, confirm that the area is safe and that there are no obstructions in the line of fire.
  - Use the bullets only for target shooting and not for hunting, as they are not recommended for hunting applications.
  - After shooting, clean your firearm according to the manufacturer's guidelines to maintain its

performance and safety.

## **Disposal Instructions**

- **Disposal of Bullets:**

- Do not dispose of bullets in regular household waste.
- Contact local authorities or waste management services for guidelines on the safe disposal of ammunition.
- Ensure that all spent casings and any unused bullets are disposed of in accordance with local regulations.

## **Contact Information for Further Support**

For further assistance, please refer to the appropriate EU-based contact point designated for safety inquiries regarding this product.

By following these safety instructions, you can ensure a safe and enjoyable experience with the MATCHKING 6.5MM (.264") Bullets. Thank you for your attention to these important guidelines.
