

SEATER DIES - REDDING SEATER DIE 25 WSSM

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Seating Die includes bullet guide, built-in crimp ring and the proper seating plug. All dies are made using the finest alloy steels obtainable and machined on Hardinge Super-Precision lathes capable of holding the tightest tolerances in the industry. Heat treated in atmospherically controlled furnaces and hand polished for smooth, flawless functioning, these dies will maintain tolerances and last a lifetime. Inspected and ultrasonically cleaned before packaging.

SEATER DIES REDDING SEATER DIE 25 WSSM

Safety Instruction Guide

Introduction

Thank you for choosing the Redding Seating Die 25 WSSM. This guide provides important safety instructions to ensure the safe and effective use of your die. Please read this manual carefully before use and keep it for future reference.

General Safety Guidelines

- Ensure that the die is used only for its intended purpose as specified in this manual.
- Always wear appropriate safety gear, including safety glasses and gloves, when handling or using the die.
- Keep the die out of reach of children and unauthorized users.
- Regularly inspect the die for signs of wear or damage. Do not use if damaged.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Risk of injury from sharp edges: Handle the die with care to avoid cuts.
 - Potential for misfires: Ensure proper installation and use to prevent accidents.
- **Avoiding Hazards:**
 - Always follow the recommended installation and usage instructions.
 - Do not exceed the recommended specifications for the die.
 - Ensure that the die is securely attached before use.
 - Do not attempt to modify the die in any way.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure that your workspace is clean and free of obstructions.
 2. Securely attach the Redding Seating Die to your reloading press according to the manufacturer's instructions.
 3. Check that the die is properly aligned and tightened before use.
- **Usage:**
 1. Prepare your cartridge cases according to standard reloading practices.
 2. Insert the bullet into the die's bullet guide.
 3. Slowly and steadily operate the reloading press to seat the bullet.
 4. Inspect each cartridge after seating to ensure proper bullet depth and alignment.

Disposal Instructions

- Dispose of any unused or damaged die components in accordance with local regulations.
- Do not dispose of the die in regular household waste. Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Redding Seating Die 25 WSSM, please refer to the manufacturer's website or contact their support team directly.

Thank you for prioritizing safety and compliance while using the Redding Seating Die 25 WSSM. Enjoy your reloading experience!
