

XP-6 FLAK JACKET PROTECTIVE COVERS - XP-6 SCOPECOAT NIGHTFORCE - 19.5"X60MM BLACK

[Optics & Mounting](#) > [Optic Accessories](#) > [Protective Scope Covers](#)

Protect your valuable scope with the Scopecoat. The Scopecoat Cover stretches over your scope shielding the entire scope from dust, dirt, moisture, dings, and scratches. The Scopecoat is constructed of high quality Neoprene laminated with nylon. The Neoprene has a 5 percent moisture absorbency, which takes moisture away from the scope. The XP-6 is available for tall turret scopes such as Law Enforcement, Benchrest and Varmint scopes. Unique to the XP-6 is the 6mm thickness (3 times the normal Scopecoat thickness) for extra protection. Scopes have a way of bumping into other guns in the safe and the Scopecoat protects the scope and your other guns.

XP6 FLAK JACKET PROTECTIVE COVERS USER MANUAL

Introduction

Thank you for choosing the XP6 Flak Jacket Protective Covers for your scope. This manual provides essential safety instructions and guidelines to ensure the safe and effective use of the product. Please read this guide carefully before using the Scopecoat to protect your valuable scope.

General Safety Guidelines

- Ensure the Scopecoat is suitable for your specific scope model.
- Regularly inspect the Scopecoat for signs of wear and tear.
- Keep the product away from open flames and extreme heat sources.
- Do not use the Scopecoat if it is damaged or shows signs of deterioration.
- Store the Scopecoat in a cool, dry place when not in use.

Specific Safety Precautions for Use

- The Scopecoat is designed for use with tall turret scopes. Ensure compatibility before use.
- Avoid exposing the Scopecoat to harsh chemicals or solvents, as this may compromise its integrity.
- Do not pull or stretch the Scopecoat excessively, as this may lead to damage.
- Keep the Scopecoat out of reach of children and pets to prevent accidental ingestion or suffocation.

Instructions for Installation and Usage

1. Preparation:

- Clean your scope with a soft, dry cloth to remove any dust or debris.
- Ensure that the scope is completely dry before applying the Scopecoat.

2. Installation:

- Gently stretch the Scopecoat over the scope, starting from one end and working towards the other.
- Ensure that the Scopecoat covers the entire scope, providing full protection from dust, dirt, and moisture.
- Adjust the Scopecoat as necessary to ensure a snug fit without overstretching.

3. Usage:

- The Scopecoat can remain on the scope during storage and transportation to provide continuous protection.
- Remove the Scopecoat when using the scope for optimal performance.

Disposal Instructions

- Dispose of the Scopecoat responsibly in accordance with local regulations.
- Do not dispose of the product in regular household waste if it is damaged or no longer usable.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any safety inquiries or additional support regarding the XP6 Flak Jacket Protective Covers, please refer to the official contact points provided by the manufacturer.

Conclusion

Following these safety guidelines will help ensure the effective use of your XP6 Flak Jacket Protective Covers. Always prioritize safety and maintenance to enhance the longevity of your scope and the Scopecoat. Thank you for choosing our product.
