

## STABILFEET - BENCHRITE 3" RAILGUN STABILFEET 3/SET

[Shooting Accessories](#) > [Shooting Rests](#) > [Shooting Rest Accessories](#)

Stabilfeet come in two different sizes and are stainless steel rest foot bases with neoprene rubber on the bottom side. The top dimple holds the rest foot point with no wobble, and the neoprene is extremely stable on the bench surfaces of concrete, wood or glaze coated concrete. Sold in sets of three.

# STABILFEET BENCHRITE 3" RAILGUN STABILFEET 3/SET Safety Instructions

## Introduction

Thank you for choosing the STABILFEET BENCHRITE 3" RAILGUN STABILFEET 3/SET. These stainless steel rest foot bases are designed to enhance your shooting experience by providing stability on various bench surfaces. This safety instruction guide is designed to help you use the product safely and effectively while complying with EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure safe use of the STABILFEET by following all instructions provided.
- Regularly check for any signs of wear or damage to the product.
- Always supervise children when using this product to prevent accidents.
- If you experience any issues or have concerns about the product's safety, report them to the relevant authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the STABILFEET only for its intended purpose as a shooting rest accessory.
- Do not exceed the maximum load capacity of the product. Ensure that the weight of the equipment being stabilized does not exceed safe limits.
- Ensure the neoprene rubber base is clean and free from debris before placing it on the bench surface to avoid slipping.
- Avoid using the STABILFEET on uneven or unstable surfaces.
- Regularly inspect the product for any signs of damage or wear, particularly the neoprene rubber base and stainless steel components.
- Do not modify or alter the STABILFEET in any way.

## Instructions for Installation and Usage

### 1. Installation:

- Place the STABILFEET on a stable and level surface.
- Ensure that the neoprene rubber base is in full contact with the surface to provide maximum stability.
- Position the top dimple of the STABILFEET to hold the rest foot point securely.

### 2. Usage:

- When using the STABILFEET, ensure that the rest foot point is properly seated in the dimple to prevent wobbling.
- Maintain a clear area around the STABILFEET to avoid accidental contact or interference during use.
- After use, carefully remove the STABILFEET from the bench surface and store it in a safe place.

## Disposal Instructions

- Dispose of the STABILFEET responsibly. Follow local regulations regarding the disposal of metal and rubber products.
- If the product is damaged or no longer usable, do not throw it in regular waste. Instead, look for recycling.

options in your area.

## **Contact Information for Further Support**

For any inquiries regarding the STABILFEET BENCHRITE 3" RAILGUN STABILFEET 3/SET, please refer to the product packaging for the appropriate contact information. Always ensure that you have the product details ready for a more efficient response.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the STABILFEET!
