AR15 Carbon Scraper Safety Instruction Guide

Introduction

Thank you for choosing the AR15 Carbon Scraper by Sinclair International. This tool is specifically designed to help you maintain your AR15 by breaking up carbon buildup inside the bolt carrier. Proper maintenance is essential for ensuring the reliable performance of your firearm. This safety instruction guide provides important information to help you use the product safely and effectively.

General Safety Guidelines

- Always read and understand the instructions before using the product.
- Keep the tool out of reach of children and unauthorized users.
- Inspect the tool before each use to ensure it is in good condition.
- Never use the tool for purposes other than intended.
- If you experience any issues or notice any defects, discontinue use immediately and seek assistance.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure the firearm is unloaded before using the scraper.
- Wear appropriate eye protection to prevent debris from entering your eyes.
- Use the scraper in a wellventilated area to avoid inhaling any harmful particles.
- Do not apply excessive force when using the scraper; this may damage the tool or the firearm.
- Store the scraper in a safe place when not in use to avoid accidental injury.

Instructions for Installation and Usage

1. Preparation:

- Ensure your AR15 is unloaded and pointed in a safe direction.
- Gather your materials: AR15 Carbon Scraper, cleaning cloth, and eye protection.

2. Using the Carbon Scraper:

- Insert the scraper into the bolt carrier.
- Gently scrape the carbon buildup, applying light pressure.
- Rotate the scraper as needed to access different areas of the bolt carrier.
- Wipe away loosened carbon deposits with a cleaning cloth.

3. PostUse Care:

- After cleaning, inspect the scraper for any signs of wear or damage.
- Clean the scraper with a cloth to remove any residue.
- Store the scraper in a dry, safe location away from children.

Disposal Instructions

- Dispose of the scraper in accordance with local regulations.
- Do not dispose of the scraper in regular household waste if it is damaged or contains hazardous materials.
- Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or assistance regarding the AR15 Carbon Scraper, please refer to the manufacturer's contact information provided on the packaging or product documentation.

Thank you for prioritizing safety and maintenance with the AR15 Carbon Scraper. Enjoy your cleaning experience and ensure your firearm remains in optimal working condition.
