

# GAMEKING 30 CALIBER (0.308') SPITZER BOAT TAIL RIFLE BULLETS - SIERRA BULLETS, INC. GAMEKING 30 CALIBER (0.308") 165GR SPITZER BOAT TAIL 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

GameKing® bullets are designed for hunting at long range, where their extra margin of performance can make the critical difference. GameKing® bullets feature a boat tail design to bring hunters the ballistic advantage of match bullets. The streamlined tapered base of the boat tail bullet greatly reduces drag, which results in higher retained velocity, greater striking energy, a flatter trajectory and less wind drift than comparable flat base bullets.

## Attributes

- Name: [SIERRA BULLETS, INC. GAMEKING 30 CALIBER \(0.308"\) 165GR SPITZER BOAT TAIL 100/BOX](#)

# GAMEKING 30 CALIBER SPITZER BOAT TAIL RIFLE BULLETS SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the GAMEKING 30 CALIBER (0.308") SPITZER BOAT TAIL RIFLE BULLETS by SIERRA BULLETS, INC. This guide provides essential safety instructions to ensure the safe handling, usage, and disposal of the product. Please read this guide carefully before use.

## General Safety Guidelines

- Always treat all ammunition as if it is loaded.
- Store bullets in a cool, dry place, away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized persons.
- Use only in firearms that are specifically designed for the caliber and type of bullet.
- Follow all local, state, and federal laws regarding the purchase, storage, and use of ammunition.
- Regularly inspect your firearm and ammunition for any signs of damage or wear.
- Do not attempt to modify or alter the bullets in any way.

## Specific Safety Precautions for Use

- Ensure that your firearm is in good working condition and properly maintained.
- Always wear appropriate eye and ear protection when shooting.
- Never shoot at hard surfaces or water, as bullets can ricochet.
- Be aware of your target and what lies beyond it.
- Use only the recommended powder and load data provided by the bullet manufacturer.
- Avoid using damaged or corroded ammunition.
- In the event of a misfire, follow proper procedures to safely handle the situation.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure you have a clean, welllit area to work in.
- Gather all necessary equipment, including your firearm, bullets, and safety gear.

### 2. Loading Bullets:

- Open the ammunition box carefully.
- Inspect each bullet for any visible defects.
- Load the bullets into the magazine or chamber of your firearm according to the manufacturer's instructions.

### 3. Firing:

- Ensure the firearm is pointed in a safe direction.
- Engage the safety mechanism until you are ready to fire.
- Take a stable shooting position and aim carefully.
- Disengage the safety and pull the trigger smoothly.

### 4. PostFiring:

- After firing, keep the firearm pointed in a safe direction and check the chamber.

- Remove any spent casings and inspect the firearm for proper function.
- Store unused bullets in their original packaging.

## **Disposal Instructions**

- Dispose of used or damaged bullets in accordance with local regulations.
- Never dispose of ammunition in regular trash or recycling bins.
- Contact local authorities or waste management facilities for proper disposal methods.
- Ensure that all bullets are completely unloaded before disposal.

## **Contact Information for Further Support**

For safety inquiries or to report unsafe products, please contact your local authorities or visit the EU's Safety Gate platform for updates on recalls and safety information.

Thank you for your attention to these safety guidelines. Your safety and the safety of others depend on the responsible use of ammunition.
